A Dangerous and Serious Run-away.

The gray horse of Mr. W. N. Garner, hitched to a buggy, was standing at the side door of Mr. W. D. Arthur's wholesale grocery. DeWitt Garner, son of Mr. W. N. Garner, was sitting in the buggy. Mr. Garner brought out of the store a piece of bacon and raised the top of the buggy to put the meat in the back part of the buggy. As he raised the top the horse took fright and ran turning up Main street. The wheels of the buggy caught a wooden frame, then it was DeWitt fell out. The horse ran at a very rapid rate of speed up Main street until he reached Fant Bros. & Co.'s store, where he struck the dray wagon of this firm, jumped up into the wagon and fell over it, striking his head and breaking his neck, and lay upon the ground a dead horse. The buggy was turned up side down, and if DeWitt had been in the buggy at this time he would no doubt have been killed. Fant Bros. & Co.'s horse ran across the street, having broken from the wagon and fell on the pavement in front of the Union Shoe Co.'s store. This horse was hurt but little, but the wagon was broken in several places and Mr. Garner's buggy was very badly broken. We have repeatedly urged the prohibition of allowing horses hitched to wagons standing along the street unhitched, for the reason that the most quiet horse will be made to run away by another horse running with a vehicle attached to him, and to get several horses started to run it might cost some lives of people and destruction of property.

The Opening of the Graded School.

The old school bell will ring in the fifteenth annual session of the Union Graded School next Monday morning and troops of jolly boys and girls will take up their books and reluctantly become scholars once more. The attendance this year promises to be larger than ever before. Superintendent Davis Jeffries said yesterday to a Times reporter: "If the future is to be judged by the past, the school attendance this year will be largely increased and there will probably be 2,000 pupils in the total enrollment of all the schools. We expect a profitable and prosperous year for the school."

The teaching corps will be as follows: Central school, Prof. S. M. Rice, principal, 9th grade; Miss Susie Parker, 8th grade; Miss Ione Littlejohn, 7th; Miss Minnie Gist, 6th; Miss Eunice Thomson, 5th; Miss Jones, overflow from other grades; Mrs. Cora N. Murphy, 4th; Miss Blanche Garner, 3d; Miss Alma Walker, 2d; Miss Sarah Watson, advanced 1st; Mrs. Linder, 1st; Miss Ruth Foster, music. West End School: Miss Frances Whitmore, principal, 3d and 4th grades; Miss Josie Fewell, advanced 1st and 2d; Mrs. Julia Thomas, 1st. Monarch School: Miss Mahala Smith, 3d and 4th; Miss Julia Harvey, 1st and 2d; Miss Mamie Boyd, 2d and advanced 1st. Excelsior School: Miss Effie Sartor, 2d, 3d and 4th grades; Miss Cornelia Greer, 1st.

Court Cases Tried.

The case of the State vs. Barney Glenn and Charles Fulwood charged with burning the crib of Mr. I. Smith Ivy which had not been decided when we went to press last week resulted in a mistrial. The jury was out about 28 hours.

The next and last case tried was the State vs. George Gore for the killing of Henry Shell. B. F. Townsend, Esq., represented Gore and the solicitor was assisted in the prosecution by V. E. DePass, Esq. The verdict of the jury was guilty of manslaughter. Gore was sentenced to 12 years in the penitentiary.

Rogers who was found guilty of assault and battery was sentenced to pay a fine of 10 dollars or 20 days on chain gang.

The criminal court adjourned Saturday without trying any more cases.

The cases of Priscock, Jeter, McLawson, all charged with murder, continued until next term of court. Monday morning the court of Common Pleas convened for the trial of civil cases.

Land Sale.

I offer for sale a valuable tract of land lying in Cross Keys Township, nine miles from Union, a short distance below Cedar Bluff bridge, on Tyger river. The place contains ninety-five acres, 25 or 30 acres in original forest, well timbered, principally oak, pine, poplar and hickory. Tenant house and outbuildings on place. Several acres of bottom. Persons wishing to purchase can call on H. B. Murphy, who will show the premises and give any information desired. Price \$800. C. B. Bono. Sedalia, S. C. 37-24-p

Lieut.-Governor John T. Sloan passed through Union Tuesday on his way to Columbia from Saluda, where he has been taking a short rest. He will probably be a candidate for Governor next year.

Mrs. James Mixson entertained on Monday afternoon in honor of her mother, Mrs. M. W. Watson, of Ridge Spring, and her sister, Mrs. J. M. Ivy, of Rock Hill. After a contest of guessing advertisements, refreshments were served. The prizes were won by Mrs. Ivy, Mrs. William Anderson and Miss Maurice Moore.

There was no fight in Newberry county against closing the dispensaries after the election. Commissioner Tatum, Inspectors W. J. McCartha and W. N. Nichols went to Newberry as soon as the state board of canvassers declared the election against the dispensary and closed the dispensary after checking up the stock and books, then shipped the stock to Columbia.

Japan lost no first class battle ship during the war with Russia. It has been left to the flames of an accidental fire to destroy her best battleship, Mikasa. This ship was Admiral Togo's flag ship and the Japanese were proud of her. The cause of the fire is unknown. It started at midnight and caught the powder magazine which explosion was terrific. The vessel is a wreck and more than five hundred lives lost.

Killed by a Live Wire.

A young man, Frank J. Kirkman, employed as lineman by the Bell Telephone Co. at Florence, S. C., was on a pole fixing a box and as he descended the pole, came in contact with a live wire. The shock was so great that he was rendered unconscious and fell to the pavement and died in a few seconds. A different arrangement should be made by which less danger to the linemen could be assured.

The coroner's jury in the inquest held over the dead body of Kirkman, reached the verdict that death was caused by his body coming in contact with a live wire of the Carolina Light and Power Co., and not a telephone wire.
