A TEN DAY BARGAIN CARNIVAL UNPARALLELED IN MERCANTILE HISTORY.

For Ten Days the Thunder of our Batteries of Low Prices will shake Union from center to circumference. All former prices are demolished and all this season's newest and most wanted wearables will be sacrificed. This sale will be characterized by thousands of surprises, Magnetic Bargains, Electrifying Merchandising. Now wait for Union's Greatest Sale. The continued mild winter has left us with a larger stock of heavy merchandise than we can afford to carry—in fact, we need the money involved in this stock as well as the room it occupies, so as to enable us to put into operation new plans we have in view for the future. Consequently we have decided to turn loose the entire stock and place it at the mercy of the people for Ten Days with utter disregard for cost or real value. Do you grasp the significance of this offer? It means that never before, perhaps never again, will such an opportunity be presented to the people of Union to dress at such trifling cost. It's a sale unlike anything ever attempted in the State of South Carolina involving thousands of dollars. Come with high expectations and then you will be surprised, for more than you could possibly anticipate will be realized. This means much to students of economy. But if you would share in this Great Bargain Feast you will have to act at once, as this sale will last Ten Days only. Come and see with your own eyes. Use the common sense with which nature has endowed you. Decide for yourself the all-important question whether or not you can afford to overlook this, the greatest saving opportunity of a lifetime. Such a sale will not happen again in this century. It is unparalleled in the annals of mercantile history. These prices are mere illustrations, not exceptions. Read every line for it will prove the most profitable reading you have done in years.

This Magnificent Stock, involving \$35,000 worth of High Grade Apparel, must be turned loose during this ten days sale. Let nothing keep you away. Opens Wednesday, July 11th, at 9 a. m.
