

# Your Feed Bill

Is a serious proposition at any time, and especially since everything in the feed line has shown a disposition recently to go skyward in prices. There are just three things that are worth your attention, when you consider the proposition of feeding your stock.

**First, Quality:** It is the poorest economy in the world to feed your cattle shoddy, half-rotten hay or damaged grain; and this is our strong point. We buy only from reliable dealers, buy only in car lots, consequently what we offer is always first class, and we are enabled to deliver it to you in clean, whole sacks, that can not be obtained in any other way.

**Second:** Getting your feed to your home or stables promptly, and when you want it, is an item well worth your attention; we do this for you without cost. We deliver all feed-stuffs promptly anywhere in the city and no cost to you for drayage, which is a pretty fair profit when you have to pay for it extra.

**Last, but not Least, Price:** We can, we do, and we will continue to save you money for everything in the feed line as well as on everything first class in eatables. We offer you for one week first class Clover and Timothy Mixed Hay at \$1.40 per hundred. First Class Sound Corn at 75c per bushel. First Class, Sound, Clean, White Clover Hay at 55c per bushel. Cotton Seed Hulls at 55c per hundred. Cotton Seed Meal at \$1.50 per sack. All delivered promptly anywhere in the city. Buy promptly and buy a liberal supply as these prices are practically what goods of this class will cost us today in car lots.

### FOR STOMACH SUFFERERS.

#### Don't Use Any Remedy that Keeps Formula a Secret.

People who are troubled with stomach weakness cannot afford to use any remedy unless they know what it contains.

Miso-na is not a mere digestive giving only temporary relief, but a specific for all disorders of the digestive organs, and so effects a permanent cure for stomach troubles.

Your physician will tell you that nothing is better than a combination of chemically pure bismuth subgallate to allay any inflammation of the stomach and bowels; cerium oxalate, to strengthen the stomach nerves; sodium bi-carbonate, which neutralizes the poisonous acids that are present in stomach troubles; and nux vomica, which will restore vigor to the digestive organs and tone the whole nervous system.

This combination is found only in Miso-na stomach tablets, and it so rarely fails to strengthen the digestive system and cure all forms of stomach disorders, that Palmetto Drug Co. sell the remedy under a guarantee to refund the money unless it cures.

If you suffer from indigestion, distress after eating, specks before the eyes, headaches, pains in the back and side, emaciation, bloating, nervousness, sleeplessness, or any of the other symptoms of stomach troubles, begin the use of Miso-na stomach tablets at once. Palmetto Drug Co. sell them in 50c boxes with a guarantee to refund money unless they cure.

The kingdom of darkness would speedily be enlightened and the powers of evil completely overthrown.—Wesleyan Christian Advocate.

The high wages paid make it a mighty temptation to our young artisans to join the force of skilled workmen needed to construct the Panama Canal. ## IF YOU WANT CASH FOR YOUR REAL ESTATE OR BUSINESS I CAN GET IT

No Matter What Your Property is Worth, or in What Town, City, State, or Territory it is Located.

If I did not have the ability and facilities to sell your property, I certainly could not afford to pay for this advertisement. This "ad" (like all my other "ads") is practically sure to place on my list a number of new properties, and I am just as sure to sell these properties and make enough money in commissions to pay for the cost of these "ads," and make a good profit besides. That is why I have so large a real estate business today.

Why not put your property among the number that will be sold as a result of these "ads?" I will not only be able to sell it—some time—but will be able to sell it quickly. I am a specialist in quick sales. I have the most complete and up-to-date equipment. I have branch offices throughout the country and a field force of men to find buyers.

I do not handle all lines usually carried by the ordinary real estate agents. I MUST SELL real estate—and lots of it—or go out of business. I can assure you I am not going out of business. On the contrary, I expect to find, at the close of the year, that I have sold twice as many properties as I did the past year, but it will first be necessary for me to "list" more properties. I want to list YOURS and SELL it. It doesn't matter whether you have a farm, a home without any land, or a business; it doesn't matter what it is worth, or where it is located. If you will write a letter of inquiry and mail it to me today, I will tell you how and why I can quickly convert the property into cash, and will give you my complete plan FREE OF CHARGE and terms for handling it. The information I will give you will be of great value to you, even if you should decide not to sell. You had better write today before you forget it.

If you want to buy any kind of a Farm, House or Business, in any part of the country, tell me your requirements. I will guarantee to fill them promptly and satisfactorily.
