PALMETTO DRUG CO.

Prepare This Yourself.

For those who have any form of blood disorders; who want new, rich blood and plenty of it, try this:
Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces.

Shake well in a bottle and take in teaspoonful doses after each meal and at bedtime. Any good pharmacy can supply the ingredients at small cost. This is the prescription which, when made up, is called "The Vegetable Treatment;" by others, the "Cyclone Blood Purifier." It acts gently and certainly does wonders for some people who are sickly, weak and out of sorts, and is known to relieve serious, long-standing cases of rheumatism and chronic backache quickly. Make some up and try it.

Notice to Voters.

DON'T DIE AT 45.

Cure the Indigestion Which is So Liable to Lead to Apoplexy.

People who suffer with headache, giddiness, palpitation, bad taste in the mouth, drowsiness, distress after eating, and any of the other distressing results of indigestion, are in serious danger. Their digestive organs cannot care for the food properly and hence the coats of the blood vessels in the brain get little nourishment, become brittle, and finally yield to the fierce blood pressure and one is then said to have a "stroke," be paralyzed, or die from apoplexy.

In all diseases of digestion and nutrition the prescription called Mi-o-na has proven itself of great value. It is relied upon today as a certainty to relieve the worst troubles of indigestion and make a complete cure.

That Mi-o-na will cure the worst forms of stomach trouble, cancer excepted, and give quick relief in indigestion is proven by the guarantee the Palmetto Drug Co. gives with every 50-cent box to refund the money unless Mi-o-na cures. A guarantee like this must inspire confidence.

Thousands have pronounced Hollister's Rocky Mountain Tea the greatest healing power in art. When medical science fails, it succeeds. Makes you well and keeps you well. 35 cents. Tea or 1 sets 1 e Rice Drug Co.

DR. KING'S NEW DISCOVERY FOR COUGHS AND COLDS
