MANY TROUBLES DUE TO AN INACTIVE LIVER

Many of the troubles of life such as headache, indigestion, constipation and lack of energy are due to inactive livers.

Get a 50c or \$1 bottle of this splendid remedy from your druggist today. Every bottle bears the likeness of L. K. Grigsby, who guarantees it through Glymph's Pharmacy and Jonesville Drug Co.

WILKINSVILLE

Wilkinsville, Sept. 23.—We are now having fine weather for picking cotton and it is opening fast. In some places the yield is splendid but in others it is very light. In many places there are fine stands and in some places it did not come up at all. All this is against the crop in the way of bringing it up to the average and consequently it will be far short of last year's yield. People are having it ginned about as fast as it is gathered but none is being sold yet. The corn crop, except the low bottom lands is rather light. We find some of it fairly good but no big crop of it will be made. I think our people will sow more wheat this fall than has been sown in many years and the most of it will be put in good order. Lands are being properly prepared.

Presbytery was held with Salem church last week. This is the first time Bethel Presbytery has been here in along time—forty-three years. In 1878 Salem church was cut off into Enoree Presbytery, and remained there until about five years ago when the church was transferred back to Bethel Presbytery. Enoree Presbytery met here in 1904 while Rev. W. H. White was supplying the church as pastor. The attendance upon Presbytery by both ministers and elders was fairly good. Our brothers and sisters of the Baptist and Methodist churches showed a willingness to help entertain them. One of the pleasures and surprises I had during the meeting was to meet my highly esteemed friend, comrade and co-laborer, "Telephone" the versatile correspondent of The Union Times from Jonesville.

I have no hesitancy in saying that there never was a visitor, minister or layman on the ground whose handshake and presence inspired us with a higher degree of brotherly love than that of W. H. S. Harris. However, I regret that his sojourn was so short and that he could not spend the night with me. I hope he will not make this his last visit to our community; he will always find the latch string on the outside and a cordial welcome in our home.

I highly appreciate the motive that prompted President Wilson to set apart the first Sabbath of next month, October 4, as a day of prayer in behalf of the nations of the world that are now engaged in a bloody war.

To The Doleful.

Laugh a little now and then.
It lightens life a lot;
You can see the funny side
Just as well as not.
Don't go mournfully around,
Gloomy and forlorn;
Try to make your fellow men
Feel that you were born.

Laugh a good deal if you can.
That is better still,
And you'll find occasion, too,
If you only will.

Laughing lightens labor some
When you have to strive,
Laugh and show the world that you
Are glad that you're alive.

—Sommerville Journal.

Not a Bit Sleaux.

A thin-skirted girl in Bordeaux
Wouldn't wear petticoats, oh dear
neaux,
She'd go out in the sun,
And she'd say: "This is fun
But I hope that my ankles don't
sleaux."

—Cincinnati Enquirer.

Another who lived in Boulogne
Was followed by dogs not her own
She was thin as a rail,
So they kept on her trail,
Believing that she was a bogue.

—Houston Post.

A slash-skirted girl from Carlisle
Was nifty and right in the stifle,
She bought her some hose
Of the shade of old rose,
When she walked you could see that
a misle.

—Seattle Post-Intelligencer.

A maiden who lived in Fort Wayne
Bought hose 'gainst the time it would
rayne.

Their hue was so loud
That they drew quite a crowd,
And she never would wear their
agayne.

Rev. Geo. M. Boyd Dead.

Spartanburg, Sept. 28.—Rev. Geo. M. Boyd one of the oldest ministers in South Carolina conference passed away here this afternoon at 5 o'clock having been in feeble health since stricken with paralysis about a year ago.

He was born in Newberry county 77 years ago, entered conference in 1870 and was superannuated in 1906. His ministry brought more than 2,050 members into the church. Two brothers, Rev. J. Marion Boyd, and Rev. D. P. Boyd were also preachers the latter being a member of the conference now.

DON'T TAKE WRONG MEDICINE.

If your liver gets lazy you need a liver tonic, not merely a laxative for the bowels. Many people take a simple laxative when the liver gets sluggish rather than take calomel, which they know to be dangerous. But a mere laxative will not start a sluggish liver. What is needed is a tonic that will live on the liver without forcing you to stay at home and lose a day from your work.

You have such a tonic in Dodson's Liver Tonic. Dodson's Liver Tonic is all that is claimed for it, because the druggists who sell it agree to hand back the money with a smile, to any person not satisfied with the relief Dodson's gives.

Dodson's Liver Tonic is a vegetable liquid with a very pleasant taste and is a prompt and reliable remedy for constipation, biliousness, sour stomach and torpid liver.

The Milhaus Drug Company give their personal guarantee. Large bottle of Dodson's Liver Tonic is only 50 cents. For children or grown people it is the ideal medicine. Try it on the guarantee.
