How to Build Up or Tear Down This Community

By J. O. LEWIS

Help Yourself by Helping Your Town.

THE attitude you maintain toward your home town—its business men and its institutions—is reflected in the success or failure of the same.

The success and happiness of every citizen in any community lie in the interest he takes in that community and the good work he can do to assist in its upbuilding. EVERYTHING YOU DO TO HELP IN THE ADVANCEMENT OF YOUR OWN COMMUNITY YOU DO JUST THAT MUCH TOWARD YOUR OWN PERSONAL SUCCESS. No man can live and prosper unto himself alone, for you are interdependent, and, realizing this, as good citizens, you should unite and pull together for the common good, and, doing this, you will prosper as a community and as individuals.

NO TOWN CAN STAND STILL. IT MUST EITHER GO FORWARD OR DECLINE, AND IT IS UP TO YOU TO SAY WHICH IT WILL BE.

Some towns hustle and grow—that is, the people hustle and the town grows. They get the habit of boosting until every citizen becomes a booster, and pretty soon its reputation spreads and it becomes known far and wide as a good town, while others lapse into a state of innumerable desuetude—an easy rock along manner—that soon classes that particular place as a dead one.

If you are knocking and complaining stop it. Nothing hurts a town more. If you cannot say something good don't say anything, and, above all, don't knock. If you are not a booster become one.

The success of the retail merchant depends on the patronage of his home people, the home jobber is largely dependent on the patronage of his home retailer, the banks are dependent likewise on the success of all, while the success and happiness of the people depend on the success of the business men.

Now, one of the greatest injuries you can do your home town or community—to the business men who are dependent on your patronage—is to order your goods from mail order houses or patronize merchants in other towns. Every dime sent from your community to a mail order house is removed entirely from local circulation. Its principal and interest are both gone, whereas the money spent with the home merchant goes immediately into circulation and in due course comes back to you.

THOUSANDS OF DOLLARS ANNUALLY ARE BEING SENT TO MAIL ORDER HOUSES FROM THIS COMMUNITY, THUS DEPRIVING HOME MERCHANTS OF THEIR RIGHTFUL PATRONAGE.

And yet, no matter how much the home merchant is dependent on the patronage of his home people, he is supposed to give and to aid in every work undertaken for the material betterment of the town, and he does, being often coerced into giving by the demands of his customers, fearing to offend them because of the fear of loss of their patronage.

UNLIKE YOUR HOME MERCHANT, MAIL ORDER HOUSES PAY NO TAXES OR PRIVILEGE LICENSE TO DO BUSINESS IN YOUR COMMUNITY. NEITHER DO THEY CONTRIBUTE TO YOUR CHURCHES, SCHOOLS, PUBLIC ROADS, CHARITIES OR ANYTHING ELSE, AND, ABOVE ALL, THEY GIVE NO EMPLOYMENT TO ANY ONE IN YOUR FAMILY OR HOME TOWN.

You want your schools kept up, your churches supported, your streets kept in repair, your town properly policed and protected by a good fire fighting equipment, etc. In other words, you want your town to prosper, be well run and the people to be happy and contented. YET IF YOU ARE SENDING YOUR MONEY TO OTHER INSTITUTIONS IN OTHER CITIES AND TOWNS YOU ARE DEFEATING THE VERY OBJECT FOR WHICH YOU STRIVE.

Now, this town building is a serious matter—a great big proposition—and if you are not treating it—its business men—fairly you are not treating yourself fairly. You are undermining the very foundation of your well being.

To be continued under the title, "THE FARMER AND THE MERCHANT."
