OUR WAR SALE

Greatest Success in History of Union

They Kept-a-Comin'---People from every section of the county were here, and a general good feeling prevailed. Everybody was talking about the wonderful bargains. Many had to leave disappointed as they did not come prepared for such an avalanche of low prices and they were not able to get everything they needed. They are coming back, many have already been back. If you want to share in this Great Reduction of Prices, you had better get to this sale right now, for the goods will not stay here long; it will be impossible for our stock to stand the pressure.

---AND IT'S ALL NEW GOODS!

Everything is new and right up-to-the-minute. Never before in the history of Union was there ever such a sale as this GREAT WAR SALE. These prices you are in the habit of getting after the season is over when you really do not need the goods. It's different now. You can get them right now—this minute—right when you need the goods, and at profitless prices. The best thing you can do is to get to this sale and get the prices here first. You'll save money, big money. Time is limited. Remember our stock is getting smaller every day—a lost opportunity never returns. Better grasp it NOW!
