NEW HOPE

New Hope, March 29.—The type-setter made a little mistake in reporting my say about the taxes we will have to pay if we fail to vote the bond issue. It should have read \$5.00 poll tax and \$3.50 road tax, it said road tax for each.

Some of our neighbors are hauling guano today, and some are hauling that I heard say were not going to use any at all.

Oats and wheat are beginning to look good. The grain that is sowed and the quantity of corn that is going to be planted and no guano much used, will, I think cut our cotton crop right in half, with the reduction in acreage that is going to be made in our neighborhood. Some of our farmers who used ten tons last year are only going to use four this year, those who used five will use two and all the way along this way, and of course there will be a lot who will not use any at all; I for one, but its because I cannot get it.

We farmers are using better seed this time and that pays considerably more in yield in proportion than fertilizer. I see large pens of manure and compost fixed up, have not seen this heretofore. We do not need to buy near so much fertilizer anyway, there is a way to have good crops without having to have so much guano to everything. One among the very best farmers in Sumter county has never bought a single pound of commercial fertilizer, but the neighbors who do, come to him to buy corn. Now what one can do, another can do that same way. Some one may ask how this is done? Why, friend, he diversifies and rotates. Goes to the woods and rakes pine straw, hauls it into his stables, hog pens, and all other valuable places and fills them, knee deep with this straw the year round, then he goes to the swamp, and hauls muck and scatters broadcast over his land. I have seen this with mine own eyes.

Today about four o'clock, P. M. the death angel visited in our community and claimed one of our choicest flowers—this one being Miss Aileen Bishop, daughter of Mr. and Mrs. Jesse Bishop. She was sick for about six months; she bore her suffering with a christian fortitude, with a constant smile on her sweet and beautiful face. Aileen as we all called her, was the second child; she leaves to mourn her death, besides her parents, two sisters and two brothers. She said before she died she was ready and not afraid. She was our organist and was always ready to do the work of her church and Sunday school, never too cold or too hot for her to go to church. Our whole community is mourning in our loss of this sweet girl. Our deepest sympathy goes out to the bereaved family in this dark hour.

Smike.

Notice of Election

Under authority of law, we, the County Board of Education for Union county, hereby order an election to be held at Adamsburg, this county, April 16, 1915, for the purpose of voting an extra one-mill tax for school purposes for Adamsburg School District, No. 25.

Jas. H. Hope,
Davis Jeffries,
M. R. Sams.

PAINT NOW

If you ought to have painted last year and waited, how much do you think you made?

You'll buy an extra gallon this year. There's \$5 or \$6 for paint and labor. You think you won't, but you will; you can't stretch paint.

It is always so: the longer you wait, the more paint and wages. Besides what paint is for. What is it for?

DEVORE

Stone-Jones Hardware Co. sell it.

Cheer up, girls, leap year is only a few months off, and girls will marry then who never married before. The girl who wins the love of a truly good man makes a lucky hit and is herself a lucky miss.

NICHOLSON
BANK AND
TRUST COMPANY
UNION, S. C.

PAYING BILLS BY CHECK

When the fact is considered that over ninety per cent of the funds used in business is transmitted by check, one begins to realize the importance of this method of handling money. This plan enables the business man or the private individual to keep his money safely in the bank instead of on the premises where it is constantly subject to loss from various causes.

This bank has unexcelled facilities for the transaction of any banking business and you are cordially invited to open a checking account in any amount.
