A two reel comedy with Hank Mann, Gertrude Selby and Reggy Morris. Don't fail to see this—it's a scream from start to finish.

"WHEN THE SPIDER TORE LOOSE" Laemmle.

A strong drama with Frank Loyd and Helen Leslie.

Fourth Reel To Be Selected
4 BIG REELS 10c

Coming Tomorrow "The Black Box." Read the story in The Intelligencer and see the picture at the Bijou.

Economy, simplicity and efficiency makes the Ford a universal utility. A utility because it serves everybody—doctor, farmer, salesman and banker. In every business, or a pleasure car, the Ford proves reliable and economical. Low first cost—\$60 less than last year, and the plan of sharing profits with the buyers—and low upkeep expense; are reasons why it pays to own a Ford. They serve and save. Buyers will share in profits if we sell at retail 300,000 new Ford cars between August 1914 and August 1915.

Touring Car \$490; Runabout \$440; Town Car \$690; Coupelet \$750; Sedan \$975, f. o. b. Detroit with all equipment.

CALOMEL WHEN BILIOUS? NO! STOP! MAKES YOU SICK AND SALIVATES

"Dodson's Liver Tonic" Is Harmless To Clean Your Sluggish Liver and Bowels.

Ugh! Calomel makes you sick. It's horrible! Take a dose of the dangerous drug tonight and tomorrow you may lose a day's work.

Calomel is mercury or quicksilver which causes necrosis of the bones. Calomel, when it comes into contact with your bile crumbles into it, breaking it up. This is when you feel that awful nausea and cramping. If you are sluggish and "all knocked out" if your liver is torpid and bowels constipated or you have headache, dizziness, coated tongue, if breath is bad or stomach sour, just try a spoonful of harmless Dodson's Liver Tonic tonight on my guarantee.

Here's my guarantee—Go to any drug store and get a 50 cent bottle of Dodson's Liver Tonic. Take a spoonful and if it doesn't straighten you right up and make you feel fine and vigorous I want you to go back to the store and get your money. Dodson's Liver Tonic is destroying the sale of calomel because it is real liver medicine; entirely vegetable, therefore it can not salivate or make you sick.

I guarantee that one spoonful of Dodson's Liver Tonic will put your sluggish liver to work and clean your bowels of that sour bile and constipated waste which is clogging your system and making you feel miserable. I guarantee that a bottle of Dodson's Liver Tonic will keep your entire family feeling fine for months. Give it to your children. It is harmless; doesn't gripe and they like its pleasant taste.

DAVID A. SKELTON DIED YESTERDAY

WELL KNOWN CITIZEN OF MOUNTAIN CREEK SECTION SUCCUMBS

EXTENSIVE FARMER

Survived by Widow, Three Children and Two Brothers—Funeral This Afternoon.

Mr. David Addison Skelton, a well known and respected citizen died at his home about one mile south of the city Tuesday morning at 10:30 o'clock. Mr. Skelton was born January 12, 1859, and was the son of the late A. B. and Polly Ann Willford Skelton. He spent the earlier part of his life in the Sadler's Creek section near Andersonville. He moved into the Mountain Creek section of the county many years ago, and owned a large farm, containing about 300 acres. He conducted the affairs of his farm just south of the city up until the time of his death.

Mr. Skelton was twice married, his first wife being Miss Mary Jane McCown. To this union four children were born, two of whom are now living. They are Mr. Franklin Skelton of the Mountain Creek section, and Mr. Samuel Skelton of this city. On May 16, 1888, Mr. Skelton and Mrs. Mollie C. Major of the Major's Mill section were married. To this union one child, Miss Claudine Skelton, was born. She, with Mrs. Skelton, was an adopted daughter, Miss Lucille Skelton, of the last union, survive him. The deceased is also survived by two brothers—Messrs. S. A. Skelton and C. S. Skelton, and one sister, Mrs. William Chamblee, all of the Roberts section of the county.

Being only 65 years of age Mr. Skelton was not old enough to see active service in the war between the sections. He was old enough, however, to join the home guards, and he saw some service in the Piedmont section of the State.

Mr. Skelton has many friends and acquaintances all over Anderson county, who will be distressed to learn of his death. He had been an ill man for two years; suffering with Bright's disease and with some heart affection. He grew worse on Sunday and members of the family realized then that it was only a question of time before his death. His affliction prevented his retiring to his bed, and he spent last night seated in a chair. He was in this position yesterday morning when he died.

Members of the bereaved family have the sincere sympathy of their many friends and acquaintances.

The funeral services will be held at the Mountain Creek Baptist church Wednesday afternoon at 4 o'clock and the interment will be made in the church yard. Rev. W. B. Hawkins will conduct the services.

PLANS FOR PAVING BETWEEN CAR TRACKS

RECEIVED AT LOCAL OFFICE OF SOUTHERN PUBLIC UTILITIES

WILL COST \$40,000

In Addition to Cost of New Rails to be Placed on Streets Not Yet Paved.

Plans and blue prints for paving between the street car tracks have been received by Mr. H. A. Orr, local manager of the Southern Public Utilities company. These plans were made by Mr. E. R. Horton Jr., and they have the endorsement of many of the local construction men have been seen them.

The franchise of the traction company requires that to pave the space between their tracks and a space of 18 inches on each side of the track. This 18 inch space is to cover the ends of the crossings.

These plans will be carried out in doing the paving work of the traction company. There is something over 20,000 feet of paving to be laid by the traction company and this will cost them approximately \$40,000. These figures do not include the cost of new rails which will have to be laid on streets where there is no pavement. The style of rail which is now in use will not do for the concrete work. It is not high enough and new rail will necessarily have to be laid on all streets which they will pave.

Personal

Mr. R. E. Ligon spent yesterday in Greenville.

Suffragette Introduces New Fashion in N. Y.

Miss Hilma Johnson.

Miss Hilma Johnson, a pretty suffragette, found a new way of advertising "the cause" on Fifth avenue, New York, the other day. How well she succeeded may be realized from the fact that she had to be rescued from a crowd by policeman. She appeared in the fashionable crowd with a new veil bearing on the lower margin the words, "Votes for Women." A crowd collected—for it is very easy to gather a crowd in New York—and followed her until she was fearful of the results. Then the police interfered and got her out of the rush.

Fine Irish Potatoes.

Mr. W. D. Shieder brought to the city office several days ago a basket of Irish potatoes grown on his farm near town. They are the finest of potatoes we have tried in a long time. They cook perfectly and are delicious to eat. They are a fall potato and keep all winter without special care. Mr. Shieder is a good farmer and provides a plenty of growing ahead of cotton.—Dorchester Eagle.
