second day. One of the paid firemen will be allowed to attend the meeting. Prof. B. M. Parks Elected Teacher Mathematics in High

Practically all of the old teachers in the city graded schools who stood for re-election received their posi-tions at the general election of teachthroughout the count yyesterday, and the city of Anderson got one of the best duckings she had had in several ers held yesterday afternoon by the board of trustees. There are, however, a few changes. Miss Huff, of the high school, will leave and go to Montana. She did not stand for re-election, having accepted the other position before the election was held.

Miss Elizabeth Forney, who for the past several years has been teacher of mathematics in the high school did not stand for re-election, and Professor Manley B. Parks of the Frazer Fitting School was chosen in her place. Prof. Parks has been in Anfor three years and is an excalled late lastn ight on the phone and called lte last night on the phone and stated to a representative of this pa-per that he was not in a position to say whether or not he would accept

the position.

A list of the teachers and their respective grades will be published at an early date. Just at present there is some doubt as to the teachers in several of the grades. A call meet-ing will be held of the trustees the week after chautauqua, and the mat-ter will be finally settled.

Three new teachers were selected. Miss Wilhelmina Fant, who has been writers Association, collect their annual dues and advise them of plans teaching for several years in Ander-son County and in other counties has been elected to the position formerly held by Miss Huff. Miss Rosamund Burdine and Ella May Tribble have zation at Chick Springs on May 19-20. been elected as grade teachers in the grammar school.
