\$7,500 Is Raised On Eve of Big Campaign

TO BE CARRIED ON THIS WEEK TO LIFT ST. JOHN'S CHURCH DEBTS

TO RAISE \$35,000 BY NEXT SUNDAY

Committees Will Begin Whirlwind Campaign This Morning.

A total of \$7,500 was subscribed at the initial meeting last night of the committees which are to conduct this week, a whirlwind campaign for the purpose of raising something like \$35,000 to life the indebtedness of St. John's Methodist church. This meeting was for the purpose of organization. Actual canvassing will begin this morning and will be carried on vigorously throughout the day. Tonight the committees will meet at St. John's church again for the purpose of comparing notes. Meetings of the committees will be held each evening this week for the purpose of ascertaining how much money has been raised each day.

It is not generally known that there is a debt of \$35,000 on the beautiful St. John's Methodist church. The time has come when the congregation must lift this debt of the church, and they have planned to do it in one week's time.

The whirlwind campaign will be carried on by five teams or committees, as follows:

- 1.—"The Addisons."—W. M. Addison, captain; A. M. Sharpe, I. E. Moseley, T. L. Cely, A. B. Beeland.
- 2.—"The Bells."—T. Joe Bell, captain; W. A. Power, V. C. Caudle, Ralph Templeton, Clifton Ligon.
- 3.—"The Dugans."—Ernest Dugan, captain; J. D. East, John Major, M. F. McGee, R. S. Ligon.
- 4.—"The Geigers."—G. H. Geiger, captain; S. L. Prince, G. B. Greene, J. P. Noblett, W. M. Wallace.
- 5.—"The Marshalls."—W. F. Marshall, captain; G. B. Walton, W. L. Brissey, J. K. Moseley, C. C. Gribble.

The directing staff is composed of J. B. Humbert, colonel, J. W. Speake, O. M. Heard, Ernest Dugan and G. H. Geiger. To show daily results, the committees have devised a large chart, 8x10 feet, representing a stone wall standing in front of the church so high that only the steeple shows above. The church debt is represented by 350 squares or blocks of stone in this wall. The object is to tear down this wall by raising money. As soon as a certain amount is raised one of these blocks will be taken down. It is the aim of the committees to remove all blocks by next Sunday, thus raising the wall that stands in front of the church and thereby lift the debt on the edifice.

Glass of Salts If Your Kidneys Hurt

Eat Less Meat If You Feel Back-ache or Have Bladder Trouble.

Meat forms uric acid which excites and overworks the kidneys in their efforts to filter it from the system. Regular eaters of meat must flush the kidneys occasionally. You must relieve them like you relieve your bowels; removing all the acids, waste and poison, else you feel a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sour, tongue is coated and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediments; the channels often get irritated, obliging you to get up two or three times during the night.

To neutralize these irritating acids and flush off the body's urinous waste get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine and bladder disorders disappear. This famous salt is made from the acid of grapes and lemon juice, combined with lithia and has been used for generations to clean and stimulate sluggish kidneys and stop bladder irritation. Jad Salts is inexpensive; harmless and makes a delightful effervescent lithia-water drink which millions of men and women take now and then, thus avoiding serious kidney and bladder disease.

Ladies! Look Young, Darken Gray Hair

Use the Old Time Sage Tea and Sulphur and Nobody Will Know.

Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks dry, wispy and scraggly, just a few applications of Sage Tea and Sulphur enhance its appearance a hundred-fold.

Don't stay gray! Look young! Either prepare the tonic at home or get from any drug store a 50 cent bottle of "Wyeth's Sage and Sulphur Compound." Thousands of folks recommend this ready-to-use preparation, because it darkens the hair beautifully and removes dandruff, stops scalp itching and falling hair; besides, no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair taking one small strand at a time. By morning the gray hair disappears; after another application or two, its natural color is restored and it becomes thick, glossy and lustrous, and you appear years younger.

New York Gangster Makes a Confession.

"Dopey Benny."

"Dopey Benny" Fein, gang leader in New York City, who several months since pleaded guilty to a charge of extortion, and was on the way to the penitentiary for a long term, has made to the district attorney of the county a confession which has resulted in the indictment of thirty-four persons, eight for murder. Most of these are labor leaders, who employed him and his gang to beat up employers in the factory garment business or laborers who would not obey them. He told a tale of oppression and murder about the east side of New York that those who don't live there found it hard to credit.

He made the confession after he felt certain his followers and alleged friends would not go to his aid and get him out of his trouble.

His record is said to show more than 500 assaults growing out of affiliations between gangsters and labor union leaders.

According to the statement Fein made, he and his chief rival, Joseph Rosenzweig, better known as "Joe the Greaser," who is indicted for murder in the first degree, got big incomes by making a speciality of strong arm work. Fein placed his income at \$12 a day for personal services and a rake-off of from \$3 to \$5 a day for each strong arm man he employed, for whom he says he charged the union leaders \$8 a day. In prosperous times, he says, he made \$10,000 a year.

In a few instances when he had a job like beating up a factory foreman, a straight price for the job was from \$50 to \$500.
