## CREATES INTEREST <br> 

The meeting was by no means a
fallure, though and a general discussion was entered into about things re-
lative to the creamery doute and the
better way of makling the tusiness pay. ${ }^{\text {The }}$ agents from Clemson College
advised that the natrons form some

The cheaper thas way. Thts brought up
the question orthe best feed and the
agents then entered into a discussion of what to feed to obtain the best Before the close of the meeting it
was declded to hold another when the was decided to hold another when the
farmers would not bo so busy at that
time and form some kind of an assoclation. The meeting yesterday wan good notwithstayding the fact the
attendance was small. Much interest
was manifested. New Hydroulane With Aerial ProA new hydroplane that is attracting
