### NEAR DEATH BY SMOTHERING

#### But Husband, With Aid of Cardui, Effects Her Deliverance.

Draper, N. C.—Mrs. Helen Dalton, of this place, says: "I suffered for years, with pains in my left side, and would often almost smother to death.

Medicines patched me up for awhile but then I would get worse again. Finally, my husband decided he wanted me to try Cardui, the woman's tonic, so he bought me a bottle and I began using it. It did me more good than all the medicines I had taken.

I have induced many of my friends to try Cardui, and they all say they have been benefited by its use. There never has been, and never will be, a medicine to compare with Cardui. I believe it is a good medicine for all womanly troubles.

For over 50 years, Cardui has been relieving woman's sufferings and building weak women up to health and strength.

If you are a woman, give it a fair trial. It should surely help you, as it has a million others.

Get a bottle of Cardui to-day.

Write to: Chattanooga Medicine Co., Ladies' Advisory Dept., Chattanooga, Tenn., for Special Instructions on your case and 64-page book, "Home Treatment for Women," in plain wrapper. N. C. 1915

### HOPEWELL NEWS

The protracted meeting begins at Hopewell on next Sunday, August 8th.

All members, and all who are interested in the graveyard are requested to come on next Thursday, August 5th to clean of church yard and graveyard. Bring all kinds of tools, wheelbarrows and wagons.

Mrs. Mattie Bramlett and daughter, Miss Mary of Atlanta are spending a few weeks with the formers' sister, Mrs. Jno. Mosley.

Hopewell base ball team is having a series of games. They are having some successful games, having defeated Lebanon twice, Six and Twenty once, Slabtown once, recently. The young people of this section are expecting to go to Clemson tomorrow on a picnic.

Prof. and Mrs. Burne are visiting the latter's brother, Prof. L. M. Mahaffey.

Mr. James McDaniel and family of Anderson spent yesterday with the formers' parents, Mr. and Mrs. Jno. McDaniel.

Mr. Jno. Thompson had the misfortune to lose another buggy horse last week, having lost one two years ago. A mule kicked it and broke his leg and he had to kill it.

Mrs. Annie Watson, Miss Cleo Mosley, Mrs. Rubie Mahaffey and Miss Emmie Vandiver all attended W. M. U. association. They reported a fine meeting, bringing some of the spirit of the meeting back with them, hoping to revive us all.

The W. M. S. met with Mrs. T. L. Webb on last Saturday, with about sixteen present. We had an encouraging meeting. This is our second meeting, having just reorganized. We decided to get up a box of clothing for the orphanage this month. We hope to get up a big one.

We haven't had any rain yet. Everything is burning up, we haven't had any right in this section since the long wet spell some weeks ago. Some of the farmers are finding the rust, started on their cotton again. It destroyed about half the cotton in this section last year. If it destroys it again this year, we will surely have to try something else, but I don't know what it will be. But it will all turn out right in the end, if we trust the one that rules all.

### Uric Acid in Meat Clogs The Kidneys

#### Take a Glass of Salts if Your Back Hurts or Bladder Bothers.

If you must have your meat every day, eat it, but flush your kidneys with salts occasionally, says a noted authority who tells us that meat forms uric acid which almost paralyzes the kidneys in their efforts to expel it from the blood. They become sluggish and weaker, then you suffer with a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sour, tongue is coated and when the weather is bad you have rheumatic twinges. The urine gets cloudy, full of sediment, the channels often get sore and irritated, obliging you to seek relief two or three times during the night.

To neutralize these irritating acids, to cleanse the kidneys and flush off the body's urinous waste get four ounces of Jad Salt, from any pharmacy here; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia and has been used for generations to flush and stimulate sluggish kidneys, also to neutralize the acids in urine, so it no longer irritates, thus ending bladder weakness.

Jad Salt is inexpensive; cannot injure, and makes a delightful effervescent lithia-water drink.

Punch.  
Governess—Why, don't you use your brains, Douglas?

of the light is diffused through the room, while a part of the horizontal the wall adjacent to the porch. Part rays are transmitted through a 1 1/4 inch tube to a globe mounted on the outside of the wall, where, with the aid of a reflector, it is uniformly distributed over the porch.—From the August Popular Mechanics Magazine.
