Ordered By Phone Advertised Boudoir Slippers

Yesterday, Mr. R. L. Thompson, proprietor of Thompson's Shoe Store said to a representative of The Intelligencer:

"I had two 'phone orders for those \$1.25 Boudoir Slippers that I advertised in your paper Wednesday that I KNOW are DIRECT RESULTS of that ad.

Of course there were other sales from this ad, and there will be others; but these two phone customers STATED that they were ordering the Boudoir Slippers that were ADVERTISED.

And, yet there are some merchants who honestly think that newspaper advertising is an EXPENSE. It is an INVESTMENT, and one that yields the greatest dividend of any other, when it is given a reasonable amount of thought and attention. Phone us, and let us tell you of the circulation, rates, and the valuable service that we can render you with the Daily and Semi-Weekly Intelligencer. It is worth while.

TEACHERS MEETING HELD ON SATURDAY

SCHOOL SESSION STARTS
ON NEXT MONDAY
MORNING

WILL ENROLL TODAY

At South Side, Glenn and Whit-
ner Street Schools—Looking
Forward Big Attendance.

As is generally known the city schools will begin their 1915-16 session next Monday morning. The enrollment to date for the three schools inside the city limits for white children. North Fant, Market street and Kennedy street schools, numbers about 1,100, which will represent, as compared with figures last year, a probable enrollment of about 3,400 for the beginning of the session. Figures of enrollment for the past several years show that the three above mentioned schools, the colored schools, and the mill schools, each have about one-third of the total number of pupils attending.

Supt. E. C. McCants stated yesterday that in all probability the enrollment at the three schools, North Fant, Kennedy and West Market street schools, would be greatly increased on the opening morning since many wait until then to enroll.

To Enroll Today.
The principals of the schools on East Whitner and Glenn streets and the South Side school will be at the buildings today between the hours of 9 a. m. and 1 p. m. for the purpose of enrolling pupils and all who have not attended to this matter are asked to go today and be enrolled.

Teachers' Meetings.
The teachers of the schools are asked to meet in the office of Superintendent McCants tomorrow as follows:

High school teachers at 11 o'clock.
Fourth, fifth, sixth and seventh grade teachers at 12 o'clock.

First, second and third grade teachers at 12:30.

Colored teachers at 3 o'clock.

Supt. McCants stated yesterday that he wanted to urge all pupils to realize the necessity of starting in school the first day. This will enable all to have an equal chance and will not only be better for those who are thinking of starting later, but also for those who do start the first day. There is probably no more serious drawback to a pupil's advancement than that of not starting the first day and irregular attendance. All pupils are urged to start on Monday and then keep it up by being there every day thereafter.

MAGISTRATE MAKES COMPLAINT TO JURY

AS RESULT ROBT. M'GEE
IS ARRESTED AND IN
JAIL

DISTILLERY CASE

Sheriff Ashley Made Arrest to
Clear Up Charge of Magis-
trate—Thinks is no Case.

Robert McGee was arrested yesterday by Sheriff Ashley on the charge of operating an illicit distillery and he has been placed in the county jail. It will be remembered that Sheriff Ashley, Deputy Sanders, Mill Deputy Ira E. Wiles of Iva, Policeman McGill, S. M. McAdams and another man of Iva went to Gregg Shoals last Sunday night in order to investigate a rumor that there was a still in operation in that community. After watching all night a rough furnace and several barrels of mash and slop that had been found, they were rewarded early Monday morning by seeing Robert McGee, a white man, come to the place and carry off a five gallon can of distilled slop.

The sheriff stated to a representative of The Intelligencer Tuesday that he did not find a still but a furnace, a doubler, and several barrels of mash and slop. He also stated that when McGee came to the place and got the can of slop, he started up the path toward where the sheriff and his party were hidden under a sweetgum tree in the bushes. McGee evidently saw the men for he changed his coat and went away carrying the distillery slop toward the house by another route. "It is a sheriff's party thinking that the man had seen them and that it would be useless to stay longer, overtook McGee. He was asked to go back to the furnace with them which he did. He was questioned there but nothing passed that would cause him to be suspected enough so that the sheriff could arrest him. Sheriff Ashley then told McGee that he would have to search his house. This was done but no bottles, jugs, or anything else was found that would cause suspicion. The sheriff told the reporter on Tuesday that he did not think the evidence was strong enough to bring a case against McGee and therefore he was not arrested.

Take Different Turn.
The situation took a different turn yesterday morning.

It is stated that Magistrate J. A. McAllister of Iva appeared before the grand jury now in session and stated that Sheriff Ashley had not done his duty toward McGee and that he had arrested him and then turned him loose on Monday morning in connection with the affair near Gregg Shoals. It is also reported that he told the grand jury that there was much complaint in the lower part of the county about the matter of the sheriff not doing his duty.

Yesterday morning the grand jury summoned Sheriff Ashley and asked him about the matter. He explained the affair to them but in order to get the matter straightened out they requested that the sheriff go and arrest McGee. Accordingly Sheriff Ashley started to Iva yesterday morning shortly before 12 o'clock to make the arrest.

Sheriff Ashley stated last night that he went to Magistrate McAllister at Iva yesterday morning and asked for any information that he had. It is stated that Mr. McAllister stated that he did not have any. The sheriff said that he then told him that he (Mr. McAllister) should not make complaint unless he had evidence and if he did have evidence he should have issued a warrant and had McGee arrested. He then should have given McGee a preliminary hearing and thereby learned what there was in the case.

Sheriff Ashley stated last night that he did not think Monday morning that there was enough evidence against McGee to cause a case to be made against him and that he did not think so now. He also stated that he tried to find out about the complaints around in that section but was unable to find any dissatisfaction beyond that of the magistrate.

In Memoriam.

On Monday August 31st many hearts were made sad when it was known that Miss Paulie Heide was no more, but had gone to be with God and her mother, who had preceded her to that home a little less than a year. Janie was a beautiful young woman just 22 years old and a kind and affectionate daughter and sister. She had been ill several months and all that loved ones and skilled physicians could do was done and her father thinking perhaps a change would prove beneficial, left their home in Greenville and went to the mountains of North Carolina, but God said come and she silently passed to that place where no more trouble or disease will ever be known.

On Wednesday the remains were brought to Bethany Baptist church of which she was a member and after services conducted by Rev. Caldwell of Greenville were laid to rest in the cemetery there.

The pall-bearers were Floyd and Chester Wright, Lee Wilson, Grady Holland, Wilton Williamson, and Curtis McCoy.

Great Reception To Pastor and Family

DR. AND MRS. WHITE AND
FAMILY ARE WARMLY
RECEIVED

THE AFFAIR WAS
A GREAT SUCCESS

No Single Detail Overlooked By
Committee to Add to Suc-
cess of Entertainment.

The reception last evening at the First Baptist church in honor of the new pastor and his family, Dr. and Mrs. John E. White, Mr. John White, Jr., and Miss Gladys White and Master Bruce White, was the most elaborate church affair ever given in Anderson and was a complete success from every standpoint. It was an affair that not only Dr. and Mrs. White are proud of and grateful for, but one that the entire congregation of the church should be thankful for. The membership is large enough, is able to, and can welcome a new pastor and the members of his family in the way that was done last evening. Never before in the history of the church has any new pastor and his family been so warmly and so largely received as were Dr. and Mrs. White and family.

The church was beautifully lighted and decorated for the occasion, ferns, palms, Japanese bamboo and roses being used very elaborately and effectively. It might be said that nothing was omitted in the way of decorations that would add to the beauty of the church, for everywhere could be seen the beautiful ferns, roses and palms.

Upon entering the left vestibule of the church the guests were met by a committee of twelve young ladies, who checked the ladies' cloaks and the men's hats. Receiving in the vestibule were Mr. and Mrs. E. P. Vandiver and Mr. and Mrs. W. W. Sullivan, who ushered the guests into the church. Upon reaching the aisle the guests were ushered to the receiving line by Mrs. D. A. Ledbetter, Miss Margaret Henry and Messrs. C. S. Sullivan and Rufus Fant, Sr.

The receiving line was stationed down next to the pulpit. The rostrum behind the receiving lines was very beautifully decorated with ferns and palms, banked artistically, with beautiful vases of pink roses placed here and there. On the rostrum were also burning numerous pink candles placed in brass candle sticks. These little lights added much to the beauty of the scene.

In the receiving line were the following in order: Rev. and Mrs. O. L. Martin, Dr. and Mrs. John E. White, Dr. and Mrs. James P. Kinard, Mr. D. A. Ledbetter, Miss Minnie Milford, Mr. John White, Jr., Miss Lucile Burris, Mr. J. A. Brock, Miss Gladys White, Dr. and Mrs. A.
