Bowel Complaints in India
In a lecture at one of the Des Moines, Iowa, churches a missionary from India told of going into the interior of India where he was taken sick, that he had a bottle of Chamberlain's Remedy with him and believed that it saved his life. This remedy is used successfully in India both as a preventative and cure for cholera. You may know from this that it can be depended upon for the milder forms of bowel complaint that occur in this country. Obtainable everywhere.

"THE FLASH OF AN EMERALD"
Robert Warwick in "Powerful Melodrama at Bijou Today."
World Film Corporation presents the five-part photoplay "The Flash of an Emerald," based upon a well-known magazine story of the same name.

Robert Warwick adds a new character to his repertoire, that of a polished and unscrupulous man of affairs who stops at nothing to gain his ends. First of all, Lacroix distinguishes himself as a safe robber and then seeing an enormously valuable emerald in the possession of an elderly lady, steals into her hotel, chloroforms her, her maid and child, and secures the emerald.
Later on he grows careless in his success. He falls in love with a girl to whom he presents the emerald. The girl is the daughter of the woman whom he robbed of the emerald.
This love leads to his undoing, and there is nothing left for a villain of his type but suicide.
A charming love story runs through the photoplay which has the advantage of beautiful settings and clever direction at the hands of Albert Capellani.
"The Flash of an Emerald" will be shown at the Bijou theatre to day.
