IT IS A FACT!

That a successful business can only be attained through honest dealing, prompt service, and indefatigable attention to detail.

That no permanent success was ever attained through trickery and subterfuge.

That quality wins first, last and always, and that manufacturers produce different classes of Pianos.

That there are some Pianos much better than others.

That it is our policy never to misrepresent anything, nor allow our salesmen to do so.

That we know that this is a good policy, because through strict attention to these methods, our business continues to grow rapidly.

That it means a good deal to you to know in advance that the reputation of our line of pianos has been established from 65 to 82 years.

That there is one in Columbia used at least forty years, and the town quality shows no evidence of going out of business.

That the pianos you will secure from Malone's Music House will be the best that we, with years of experience in choosing the best, can buy.

Southern's Block System.

The newspapers have so long and so persistently gratuitously presented the Southern Railway with advice sandwiched with denunciation because of the wrecks that have happened on the road, that now they would in all fairness commend the management for the great step forward which has been taken by the inauguration of the block system.

This system which was to have been complete all along the line by Sunday night, was for some reason delayed, but at one minute after 12 o'clock this morning the system on the entire line from Washington to Atlanta was thrown open.

The Southern had forestalled all other systems in the South in this important safeguard against accidents. The block system has been in operation for years in the North and East and West and is everywhere used in England. The name is given to the system because the track is laid off into blocks and by means of signals the presence of a train in a block is made known to an approaching train either coming in an opposite direction or following behind. All of this has already been explained before and most people who travel are familiar with the workings of the system anyway.

The improvement, it is stated, will add about four hundred new employees to the pay roll, so it will be seen that the charge is one of no little expense. In addition it must be remembered that the road is building a double track between Washington and Atlanta as fast as it can, which will go a long way toward reducing the possibility of accidents.—Spartanburg Herald.

Bent Her Double.

"I knew no one, for four weeks, when I was sick with typhoid and kidney trouble," writes Mrs. Annie Hunter, of Pittsburg, Pa., "and when I got better, although I had one of the best doctors I could get, I was bent double, and had to rest my hands on my knees when I walked. From this terrible affliction I was rescued by Electric Bitters, which restored my health and strength, and now I can walk as straight as ever. They are simply wonderful." Guaranteed to cure stomach, liver and kidney disorders; at McMaster Co.'s, Obeur Drug Co.'s and John H. McMaster & Co.'s drug stores; price 50c.

He was the rawest of recruits, and the drill sergeant, who could not do anything with him, was driven out of all patience. At last the angry sergeant shouted: "Man, what is your head on for? Why, to keep my collar from slipping off!" was the ready retort.—Glasgow Evening Times.

Treat Your Kidneys for Rheumatism.

When you are suffering from rheumatism, the kidneys must be attended to at once so that they will eliminate the uric acid from the blood. Foley's Kidney Cure is the most effective remedy for this purpose. R. T. Hopkins, of Polar, Wis., says, "After unsuccessfully doctoring three years for rheumatism with the best doctors, I tried Foley's Kidney Cure and it cured me. I cannot speak too highly of this great medicine. It purifies the blood by straining out impurities and tones up the whole system. Cures kidney and bladder troubles. Sold by McMaster Co."

Little Paul was asked in the Sunday school class if he knew anything about Peter. "Oh, yes!" he answered quickly. "Peter, Peter, pumpkin eater, Had a wife and couldn't keep her." —The Little Chronicle.

Good for Stomach Trouble and Constipation.

"Chambelain's Stomach and Liver Tablets have done me a great deal of good," says C. Towns, of Portage, Ontario, Canada. "Being a mild physician after the effects are not unpleasant, and I can recommend them to all who suffer from stomach disorder." For sale by Obeur Drug Co.

Prisoner—I don't think there will be any need for you to address the jury. Counsel—Why not? Prisoner—My insanity will be immediately plain to them when they see that I have retained you to appear for me—Pick-Me-Up.

When you want a pleasant laxative that is easy to take and certain to act, use Chamberlain's Stomach and Liver tablets. For sale by Obeur Drug Co.

The Cause of Many

Sudden Deaths.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs, causing catarrh of the bladder, or the kidneys themselves break down and waste away cell by cell. Bladder trouble almost always results from a derangement of the kidneys and a cure is obtained quickest by a proper treatment of the kidneys. If you are feeling badly you can make no mistake by taking Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy. It corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night. The mild and extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases.

Swamp-Root is pleasant to take and is sold by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle of this wonderful new discovery and a book that tells all about it, both sent free by mail. Address, Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

Forgetting Self.

The story has many times been told of the storm-chilled traveler, half paralyzed by the fatal drowsiness of cold, who stumbled over a prostrate man dying in the snow; how in stirring and chafing the freezing stranger he forgot his own distress, and warned himself to wakefulness and safety by the toil that saved another. The story might come as a happy inspiration to many an uneasy heart. To the aimless and indolent children of wealth, "dying of ennui;" to the proud, fretting under a personal or family blemish; to the ambitious, discouraged by continual privation; to the morbid, brooding over a secret sorrow; to all such the relief of some useful occupation would be a gospel of light and blessing. After a generous giving of self to active ministry in others' behalf one can never again take life at its narrowest and worst—'Nor whine at woes his own right hand can heal.'

Every life has some burden. To the Christian the burden becomes a blessed cross, that he finds it easy to bear so long as he imitates his Master by doing good.—Ex.
