Bathing Suits Pass Censor

Our bathing suits for men and women have passed the local censor, who pronounced them correct in style for wear at our bathing resort. These suits are made and designed by the famous Milbury-Atlantic Knitting Mills. The materials are all wool jerseys in pretty colors that are fadeless.

Water-wings that will support a person who weighs up to 250 pounds are on sale in our Men's Dep't at 50c. These wings are made of heavy canvass and will not snag.

Pretty rubber bathing caps that will keep your hair absolutely dry can be had from us at 95c. These caps come in a variety of very pretty colors.

If you desire to make your own bathing suit we have a surf satin in good black at 40c the yard. You may desire to brighten up the suit a bit, if so we can show you this satin in gold, rose and green for trimmings at 45c.

Take the kiddies in for a swim. Go down to the pond and see for yourself how the kids enjoy the water. We have suits for the little ones in good worsted knit material at \$1.25 and \$2.00.

Raincoats make a good covering for your bathing suit and keep the car seats dry after your dip. Let us fit you with a good water-proof coat. The prices are very reasonable.

Our idea of a difficult proposition would be for an Irishman to buy something from a Scotchman and sell it to a Jew at a profit.
