LOCAL MATTERS.

—Read "notice" elsewhere.
—Go and see Faust at the Thespian Hall Thursday night.
—Read announcement of Mr. Jas. A. Brier for Clerk of Court.
—Mr. J. B. Burley announces himself for County Supervisor.
—Mr. Robt. Y. Clowsey announces himself this morning for county supervisor.

—Hang out the banner on the outward wall, the cry is still they come!— and always a candidate.

Lewis
—Dr. W. H. Little Early Nerves always bring certain relief, cure my headache and never gripe. They gently cleanse and invigorate the bowels and liver. McMaster Co.

—The many friends of Mr. J. A. DePorter will be glad to know he is steadily improving at the hospital in Richmond.

—Read J. J. O'Beary's ad. in which special attention is called to Health & Milligan's paints and to O'Beary's dyspepsia tablets.

—Mr. Minto will have charge of the railroad office at night during Mr. Skinner's illness. Mr. Brown, of North Carolina, is doing the day work.

To secure the original with hazel eyes, ask for Dr. W. H. Little Early Nerves, well known as a certain cure for piles and skin diseases. Beware of worthless imitations. They are dangerous. McMaster Co.

—Mr. Joe O'Beary is now getting his soda fountain "in trim" to furnish our people with cool drinks. This will be a delightful news to our thirsty wheel riders.

—Miss Carrie Elliott has recently been elected editor-in-chief of the Converser Concept for the coming year. This is a great compliment for one as young as Miss Elliott.

—Miss Thomas, the new lady operator, has arrived and begun her duties at the new telegraph office on Saturday. Miss Thomas will board with Dr. and Mrs. Quattlenbach.

—"I used Kodol Dyspepsia Cure in my family with wonderful results. It gives immediate relief, is pleasant to take and is truly the dyspepsia's best friend," says Mr. H. H. Hartman, Overland, Mich. Digest what you eat. Cannot fail to cure. McMaster Co.

—One of the promoters of the Winoabero Creamery has just purchased from the Biltmore farm of Vanderbilt a very fine yearling. His grand-dame, Manolis, took the first prize at the World's Fair.

—Mr. Frank Fennell and Miss Lizzie Hood were married at Blythewood on March 25th. They are spending a few days at the groom's mother in Chester and from there they go to Belmont, N. C., where Mr. Fennell is employed as telegraph operator.

—Some time ago we reported a capture here of two men with a wagon load of goods who gave their names as Lamond. They will be tried in Columbia this week and Messrs. W. B. Gilbert, J. M. Elliott and J. B. Stevenson want to Columbia to appear as witnesses.

Mrs. Harriet Evans, Minnola, Ill., writes, "I never fail to relieve my children from croup at once by using One Minute Cough Cure. I quickly can feel safe without it." Quickly cures coughs, colds, grippe and all throat and lung diseases. McMaster Co.

—La grippe has the grip on the town and country. Not for years has there been such an epidemic of the disease in this section. The doctors are kept going night and day. Although very prevalent, the epidemic appears to be of a somewhat mild type, as no deaths have so far resulted.

—The Caldwell Dry Goods Company's millinery is truly a "thing of beauty." Our people will indeed be hard to please if they cannot find something there to suit the taste. Miss Collins's beautiful table shows little in every hat in her department. Pastelle is the leading shade and the tulle and straw are the latest.

Mrs. Calvin Zimmerman, Minnola, Pa., says, "As a speedy cure for coughs, colds, croup and sore throat One Minute Cough Cure is unequalled. It is pleasant for children to take, and I heartily recommend it to mothers." It is the only harmless remedy that produces immediate results. It cures bronchitis, pneumonia, grippe and throat and lung diseases. It will prevent consumption. McMaster Co.

—Don't fail to read "The Hustler" advertisement of Q. D. Willard. He has black and colored dress goods, percales, ducks, piques, dimities, detted swisses, cordorays, organdies, mulls, lawns, clothing of all kinds, hats, shoes, slippers, gents' furnishings goods, etc. In fact you can find anything to suit the most fastidious taste in his line of goods.

—Without a doubt, Faust is the most famous play ever staged. It has been produced in all the large cities in the United States, Canada and Europe. It is a play that pleases all classes of people and is excellent in tone and sentiment. This famous drama will be presented by the Labadie company at the Thespian Hall next Thursday evening, April 6th. Admission, 50c and 75c. Seats on sale at McMaster Co.'s drug store.

—We have been requested to protect against the taking of flowers from the graveyards in town. The complaint has been made that children, both white and colored, have been plucking flowers from graves. The children have done this doubtless thoughtlessly, and we feel that it is necessary only to mention it to prevent a repetition. An admonition by parents spray will make them realize the wrongfulness of such conduct.

—Bob Milling on last Tuesday, taking umbrage at Ed. Trapp, undertook to settle a little personal matter with Trapp in a way that accorded with primitive justice, but contrary to the common law. He and Trapp got into a difficulty as the result of Milling's assumption of the right to do so and Milling was seriously cut. Trapp was before the in-doubt Wednesday and fined \$100. Milling being unable to attend court on account of his injuries will make an excuse to the municipal authorities later.

CROUP

Mothers, when your children are attacked by the dreadful croup, you need not despair. Dr. Bull's Cough Syrup will relieve and cure them at once. You can always depend on this marvelous remedy; it always cures.

Dr. Bull's COUGH SYRUP

Will cure Croup without fail.

Does not irritate and is pleasant to take. Doctors recommend it. Price 25 cts. At all druggists.

—William Dixon was up before Magistrate Cathcart on Saturday for violating the eighth commandment. William took an irresistible fancy to a pair of small piers, the property of Mr. E. W. Matthews. The magistrate found that William had exercised his acquisition faculty illicitly, and gave him an opportunity of remansuing on the errors of his ways that he might mend them. He was fined eight dollars or twenty-five days on the county chain gang at hard labor.

—John on human error in 30 minutes by Woodruff's Sanitary Lotion. This never fails. Sold by W. E. Aiken, druggist, Winoabero, S. C.

—The long distance telephone has come to stay. After several months' experiment here to see whether or not it would pay to keep an office at this point the American Telegraph and Telephone Company have finally decided to make this a permanent office. All day Wednesday workmen were engaged in putting up posts and running wires from the outer edge of town to the office of the company. Hereafter the sending of messages will be as secret as telegrams. In telephone parlance the company will put in a booth which insures entire secrecy.

—Wm. Orr, Newark, O., says, "We never feel safe without One Minute Cough Cure in the house. It saved my little boy's life when he had the pneumonia. We think it is the best medicine made." It cures coughs and all lung diseases. Pleasant to take, harmless and gives immediate results. McMaster Co.

—Monday being salesday, quite a crowd was in town; not as large a crowd, however, as usually attend sales. This is due, probably, to the fact that the farmers are very much behind and were necessarily compelled to remain at home unless forced by some special need to be in town. The sales were smaller than they have been for years. The clerk of court only sold one tract of land, which was purchased by E. T. Kautsch for \$501. This land was sold by virtue of an order in the suit of Annie A. Williams vs. E. L. Freshley. In addition to the land sold only a solitary ox was offered for sale, which was bought by — Hall for \$15.

—The gentlemen interested in the Winoabero Creamery have completed its organization within the last few days. In a quiet way the project has been on foot for some time—no great amount of talking being done, but some good work. It will not be many days before the company will begin the manufacturing of butter on a large scale. The object of the company is to find a way for the adjacent farmers to readily dispose of the milk of their farms. The company at present will operate altogether on cream purchased, having no cows of its own. In this way those who have cows can find a ready sale for all the milk they can supply. The scheme is a good one. It is the beginning of a new industry in our county which we hope will be the means of augmenting to our people other means and ways of utilizing the many sources of wealth that lie almost at our doors which need but push and enterprise to develop our county into as flourishing and prosperous community as any in the world. The natural advantages we possess are numerous and the resources are almost inexhaustible, which if all were brought into play by diversifying our industries would put her in the first ranks as regards material prosperity. It is fortunate for this infant industry that those who will take charge of it as it commences its existence are the foremost business men of this section—noted for their push and energy and capacity for handling successfully whatever they set their hands to doing.

—Admiral George Dewey passed through Winoabero Friday morning on the northbound passenger (en route) to Washington from St. Augustine, Florida. His private car was attached to No. 36. The Admiral was accompanied by Mrs. Dewey and Lieut. Caldwell.

—Mrs. Jane Lauderdale died on Monday afternoon at half-past two o'clock. She had been sick several days with the grip. She was a Russell, and was twice married, first to Montgomery Lemmon, of which marriage two children survive her, Mrs. J. O. Boag and Mrs. J. W. Bolick, of this place, then to the late D. Lauderdale, of which marriage the following children survive her: T. W. Lauderdale, G. R. Lauderdale and Mrs. J. L. Bryson, of Winoabero, and Mrs. W. T. Blakeley, of Laurens.

—Mrs. Lauderdale was in the 75th year of her age. She was a woman of wonderful energy and considerable business sagacity. The funeral services were held yesterday at the A. E. P. Church at 4 o'clock p. m.

—GONE TO CHARLOTTE.
—Mr. J. M. Beatty has accepted a position with the D. A. Tompkins Co., of Charlotte, N. C. He left on Monday for his new home. Mr. Beatty has for quite a number of years been identified with the business interests of the town and was one of the leading dry goods merchants of Winoabero. He gave up the mercantile business to go into the milling business a few years ago. He has been in chief control of the Fairfield Cotton Mill since it has been in operation here, but resigned to accept a position with the D. A. Tompkins Co., which affords a wider field for his talent and push. For the present the family of Mr. Beatty will remain in Winoabero. Mr. Beatty's many friends wish him abundant success in this move, and none wish him more than THE NEWS AND HERALD.

Improvements.

Mr. G. A. White will soon have his store-room between his present store and Landecker's completed. This will fill an ugly gap in that street and add a great deal to the appearance of that part of town.

Mrs. U. G. DesPortes having purchased the Habonicht building, which was badly damaged by fire some time ago, is repairing the building for a store-room.

That Throbbing Headache
Would quickly leave you, if you used Dr. King's New Life Pills. Thousands of sufferers have proved their matchless merit for Sick and Nervous Headaches. They make pure blood and strong nerves and build up your health. Easy to take. Try them. Only 25 cents. Money back if not cured. Sold by McMaster Co., druggists.

F. M. SPENCE DEAD
News reached here on Monday afternoon that Mr. Patrick M. Spence, of Ridgeway, had died at his home there on the same afternoon. Mr. Spence had been sick for about ten days of typhoid pneumonia.

Mr. Spence was one of the best citizens in the county. He was a man of the highest character, and everybody had the utmost confidence in him. The funeral services were held at Ridgeway yesterday afternoon. He was 68 years of age.

—Mr. H. L. Elliott left on Tuesday for Columbia to take charge of the warehouses of Mr. Ed. Robertson. Our whole community regrets that our young and genial townsman should leave us to make his home for the future elsewhere. Mr. Elliott is one of our most popular and promising young men. For a number of years he has been engaged as one of the assistants in the bank at this place and has won for himself an enviable reputation as a business man. His popularity as a business man is only equalled, if not excelled, by his personal popularity.

A Testimonial from Old England.
"I consider Chamberlain's Cough Remedy the best in the world for Bronchitis," says Mr. William Savory, of Warrington, England. "It has saved my wife's life, she having been a martyr to bronchitis for over six years, being most of the time confined to her bed. She is now quite well." Sold by McMaster Co., druggists.

SHOULD BE LOOKED AFTER
In the field north of the Episcopal cemetery is buried Capt. Jas. Mitchell. He was an artillery officer in the American Revolution, and lived and died in Winoabero. Major Henry Moore, who was his comrade, states in his memoirs that he had the tombstone for him erected. This grave has been there over one hundred years, and the inscription is almost illegible. The town council should see to the preservation of this old soldier's resting place. This is due not only to the memory of the soldier himself, but to the perpetuation of the act of patriotism and kindness of Major Moore in erecting at his own expense the present tombstone.

A Night of Terror.
"A awful anxiety was felt for the widow of the brave General Barnham, of Machias, Me., when the doctors said she could not live till morning," writes Mrs. S. H. Lincoln, who attended her that fearful night. "All thought of sleep soon fled from pneumonia, but she begged for Dr. King's New Discovery, saying it had more than once saved her life, and had cured her of consumption. After three small doses she slept easily all night, and she further was completely cured. Her recovery was completely guaranteed to cure all Throat, Chest and Lung Diseases. Only 50c. and \$1.00. Trial bottles free at McMaster Co.'s drug store.

—GONE TO CHARLOTTE.
—Mr. J. M. Beatty has accepted a position with the D. A. Tompkins Co., of Charlotte, N. C. He left on Monday for his new home. Mr. Beatty has for quite a number of years been identified with the business interests of the town and was one of the leading dry goods merchants of Winoabero. He gave up the mercantile business to go into the milling business a few years ago. He has been in chief control of the Fairfield Cotton Mill since it has been in operation here, but resigned to accept a position with the D. A. Tompkins Co., which affords a wider field for his talent and push. For the present the family of Mr. Beatty will remain in Winoabero. Mr. Beatty's many friends wish him abundant success in this move, and none wish him more than THE NEWS AND HERALD.
