LOCAL MATTERS.

—Miss M. E. Aiken has been missed from the central office on account of grip.

—Those "dying for fun" should read McMaster Co.'s advertisement this morning.

—Easter opening April 10th, continuing through the week, at Mrs. A. L. McCarty's.

—Job work solicited by THE NEWS AND HERALD. "Have freight by having your work done at home."

—To secure the original with hazel salve, ask for DeWitt's Witch Hazel Salve, well known as a certain cure for piles and skin diseases. Beware of worthless counterfeits. They are dangerous. McMaster Co.

—The Atlanta Semi-Weekly Journal and the Weekly News and Herald one year for \$1.50 in advance.

—Wedding bells will ring here on the 26th inst. This interesting event will take place in the Presbyterian Church.

—D. W. Smith, Battered, Mich., says, "DeWitt's Little Early Risers are the very best pills I ever used for constipation, liver and bowel troubles." McMaster Co.

—Q. D. Williford calls special attention to these things, and invites an inspection of his stock before you purchase elsewhere.

—The family of Mr. J. M. Beatty leave next week for their future home in Charlotte. Their leaving is Winesboro's loss and Charlotte's gain.

"I used Kodol Dyspepsia Cure in my family with wonderful results. It gives immediate relief, is pleasant to take and is truly the dyspepsia's best friend," says R. H. Hargraves, Overhill, Mich. Digests what you eat. Cuts out all the bad stuff. McMaster Co.

—A large crowd greeted the Labadie company in Faust at the Theatrical Hall Thursday night. The show was fairly good, but might have been better.

—Candidates are coming out faster in other counties than in Fairfield. In looking over our exchanges we notice that the number of cards double the number now running in THE NEWS AND HERALD.

Rev. W. E. Sitzer, W. Cates, N. Y., writes, "I had a very bad cold, and was unable to do my work. I was persuaded to use Kodol Dyspepsia Cure and it helped me from the start. I believe it to be a panacea for all forms of indigestion. It digests what you eat." McMaster Co.

—There is scarcely a household in Winesboro but that some member of the family has had the grippe. On Saturday five deaths occurred from it among the colored population. This looks very serious.

—What a pity Winesboro hasn't an opera house. This is, perhaps, the only place of its size without one. The Winesboro people appreciate good shows as much as any one; so why can't some steps be taken toward making a hall fit to ask good companies to come here?

Mrs. Harriet Evans, Minniedale, Ill., writes, "I never fail to relieve my children from croup at once by using One Minute Cough Cure. I won't feel safe until I have used it." Quickly cures coughs, colds, grippe and all throat and lung diseases. McMaster Co.

—Dr. Thos. A. Quattlebaum, of Winesboro, has located here for the practice of medicine and surgery. He is a graduate of Furman and Vanderbilt, and is well equipped for his chosen profession. He is a grandson of the late Gen. Paul Quattlebaum, who represented Lexington county in the State Senate in the ante-bellum days. —Batesburg cor. The State.

—Hon. W. S. Hall, a prominent citizen and planter of Mifflin, Fairfield County, came to the city Friday on a visit to his son, Prof. W. S. Hall, Jr., and his daughter, Mrs. J. E. Dye, on Race street. Mr. Hall is a cultured gentleman of the old school. He visited our schools and Limestone college, and our big industrial plants and expresses himself in most flattering terms of Gaffney and her prospects. —Gaffney Ledger.

—Wm. Orr, Newark, O., says, "We never feel safe without One Minute Cough Cure in the house. It saved my little boy's life when he had the pneumonia. We think it is the best medicine made." It cures coughs and all lung diseases. Pleasant to take, harmless and gives immediate results. McMaster Co.

—Cards are out announcing the marriage of Miss Annie Benham Aldrich to Dr. William Eggleston on Wednesday, April 18th, at the Church of the Holy Apostles, Barrow, S. C. Miss Aldrich is a daughter of Senator and Mrs. Robt. Aldrich, of Barrow. Dr. Eggleston is a son of the late Mr. Du-Bose Eggleston, and is well known in Winesboro, his old home. He is now a prominent young physician of Barrow. It is needless to say that he will have the best wishes of his numerous friends in Winesboro.

—The matter of the escape of convicts from the county chancery was up before the county board of commissioners on Monday. The board faced Superintendent Joe Richardson \$10 and Mr. Tom Frye, the guard, was also fined \$10 and discharged. This action of the board was induced by the escape some two weeks since of five convicts from the gang at the same time. It is to be hoped that the rules and regulations formulated by the board for the control of the chancery will be observed more strictly in future, and thus insure the retention of prisoners until the expiration of their sentence.

JOSEPH STEWART DEAD

Mr. Joseph Stewart died at his home in Longtown on last Wednesday. He was one of the oldest citizens in the county, having reached the age of 91 years. He was an unusually active and vigorous man up to only a few months ago. It is said that he could mount a horse and gallop off with the spirit and readiness of a young man. A highly respected citizen is lost to the county.

—Mr. Desportes lost a fine mule a few days ago. A negro was playing him on the place and without the slightest provocation the mule fell over dead. It is supposed the mule had heart disease.

How To Gain Flesh

Persons have been known to gain a pound a day by taking an ounce of SCOTT'S EMULSION. It is strange, but it often happens.

Somehow the ounce produces the pound; it seems to start the digestive machinery going properly, so that the patient is able to digest and absorb his ordinary food, which he could not do before, and that is the way the gain is made.

A certain amount of flesh is necessary for health; if you have not got it you can get it by taking

Scott's Emulsion

You will find it just as useful in summer as in winter, and if you are thriving upon it, don't stop because the weather is warm.

WANTS A HILL.

He Can Get Plenty of Them.

Mr. Preston Kila has received the following letter:

Charlottesville, Va., April 2, 1900.

My Dear Sir: I am hoping to observe the eclipse of the sun May 28th, and am thinking of selecting a site for observing either near Winesboro or Newberry, S. C. I expect to use a 40 foot camera and would be glad to find a hill where I can obtain a slope of thirty degrees more or less. Will you be kind enough to write me in regard to the topography around Winesboro. Any other information that you may think me of value will also be gratefully received.

Very truly yours,

Ormond Stone.

A Testimonial from Old England.

"I consider Chamberlain's Cough Remedy the best in the world for Bronchitis," says Mr. William Savory, of Warrington, England. "It has saved my wife's life, she having been a martyr to bronchitis for over six years, being most of the time confined to her bed. She is now quite well." Sold by McMaster Co., druggists.

FUNERAL SERVICES OF MRS. JANE LAUNDERDALE.

The funeral services of Mrs. Jane Lauderdale were held in the A. R. P. Church on Tuesday afternoon at 4 o'clock, of which church the deceased was an active and zealous member. It was one of the largest funerals ever seen in Winesboro. The deceased was one of the landmarks of the town, having been successfully engaged in the mercantile business here for about half a century, and she and her family were closely identified with the business interests of the community. In honor of her memory, all the stores in town were closed during the funeral hours.

The following gentlemen acted as pall bearers:

Active—T. H. Ketchin, T. K. Elliott, J. E. McDonald, U. G. Danforth, J. J. Neil, R. C. Gooding.

Honorary—Jas. A. Brice and A. S. Douglass.

On Tuesday, April 3rd, at Almswell cemetery the remains of Patrick M. Spence were laid to rest. Mr. Spence had not quite lived the three score and ten, allotted to man, being 63 years old at the time of his death.

In the death of this good and true man Ridgeway loses one of her best citizens and the county at large a noble man, whose place will not soon be filled. He was in every sense a just and true man, ever seeking to do his duty to his neighbor, himself and to God. No cause could make him swerve from the straight path of his duty as a man and citizen. He was born in County Antrim, Ireland, in 1837—coming from that sturdy old Puritan stock that has made its fame for virtue wherever it found a home; and Patrick M. Spence inherited a full share of their virtues.

He was interred with Masonic honors. There were present delegations from neighboring lodges to pay tribute of respect to the memory of this upright man and Mason.

JOSEPH STEWART.

The many friends and acquaintances of Mr. Joseph Stewart will be pained to hear of his death, which occurred at his home Wednesday at 11 o'clock a. m. He had been in a declining state of health for some time prior to his death. His death was not wholly unexpected, yet was a severe shock to all. He was in all probability the oldest person in the county, being 90 years and five months of age at the time of his death. His remains were interred at the Presbyterian Church on Thursday at 3 o'clock p. m., in the presence of a large concourse of relatives and friends. Rev. J. G. Harrison conducted the funeral services in a most solemn and touching manner. We extend our sympathies to the bereaved ones in their great affliction, and point them to Him who is able to wipe away all tears from their eyes and to sanctify to them even their deepest distress. When a few years shall have come when we too shall go the way from whence we shall not return. E. H. D.

Bryant, S. C., April 7, 1900.

Bismarck's Iron Nerve

Was the result of his splendid health. Indomitable will and tremendous energy are not found where Stomach, Liver, Kidneys and Bowels are out of order. If you want these qualities and the success they bring, use Dr. King's New Life Pills. They develop every power of brain and body. Only 25c. at McMaster Co.'s drug store.

SIMPSON ITEMS.

The farmers of this section are badly bedeviled with their crops, (that is the most of them). Very few are through sowing fertilizer. Although Mr. A. E. Powell is planting cotton, I am afraid he will lose his seed.

Mr. D. A. Broom and Mr. C. E. Richardson went to Mr. F. M. Spence's funeral, at Ridgeway, last Tuesday.

Miss Mary Catherine, of Winesboro, who has been teaching our school, has been called home on account of her mother's illness. It is not known when she will return to take charge of her school.

Miss Edna Hatcock, daughter of Mr. and Mrs. O. C. Hatcock, and Mr. John Perry, of Winesboro, were married Sunday evening.

Mrs. Hatcock and son paid Blackstock a flying visit Sunday.

We are glad to know that Mr. J. W. Wilson is recovering from his recent attack of lagrippe.

Relief in Kidney.

Distressing Kidney and Bladder Disease relieved in six hours by New Great South American Kidney Cure. It is a great surprise on account of its exceeding promptness in relieving pain in bladder, kidneys and back, in male or female. Relieves retention of water almost immediately. If you want quick relief and cure this is the remedy. Sold by W. B. Aiken, druggist, Winesboro, S. C.

RIDGWAY ITEMS.

The death of Mr. P. M. Spence was quite a shock to the community at large, as very few knew that he was sick. Mr. Spence was a true man and a good citizen—true to his friends and his convictions whatever they might be. His loss will not only be felt by his family, but by the town and community.

The farmers of this vicinity have been putting in good time, and from all indications the usual crop of cotton will be planted.

The oat crop is not very promising. The farmers complain that they are "off in color"—look red and not a healthy green.

County Supervisor Tennant was in town to-day.

Quite a party went to Winesboro last night to attend "Faust"—Misses Isabel Ruff and Daisy Wilson, and Mr. John Wilson, Dr. James Team and Mr. W. C. Boyd.

GREENSBORO NOTE.

We have as fine graded school as there is perhaps in the State. We have about seventy-five pupils in the different departments and under the efficient management of Prof. M. W. Pearis, his accomplished wife and Miss Lottie Blair, a graduate of Winthrop College, and a most competent teacher. Our school is forging to the front and the "young ideas" of Greenbrier are being taught with an upward tendency in the matter of education.

Misses Sadie Aycock and Belle Pearis are visiting at Prof. Pearis'.

Mr. T. W. Ruff has been quite ill with grippe, but is now convalescing.

Mr. Pope Brooks has recently finished a new dwelling and has moved into the same.

Mr. J. L. Robinson has in the last few days had his fine house repaired, which adds greatly to its appearance.

The Stewart Stone Company is operating a large stone quarry here and are working quite a number of hands.

Farming has been greatly retarded on account of too much rain.

Best wishes to THE NEWS AND HERALD.

HEADACHE

is only a symptom—not a disease. So are Backache, Nervousness, Dizziness and the Blues. They all come from an unhealthy state of the menstrual organs. If you suffer from any of these symptoms—if you feel tired and languid in the morning and wish you could lie in bed another hour or two—if there is a bad taste in the mouth, and no appetite—if there is pain in the side, back or abdomen—BRADFIELD'S FEMALE REGULATOR will bring about a sure cure. The doctor may call your trouble some high-sounding Latin name, but never mind the name. The trouble is in the menstrual organs, and Bradfield's Female Regulator will restore you to health and regulate the menses like clockwork.

Sold by druggists and by mail. A free illustrated book will be sent to any woman who requests it. THE BRADFIELD REGULATOR CO., ATLANTA, GA.
