FOOTBALL

In a game in which Carolina showed much improvement after a week's practice, Charleston College was defeated by a score of 17-0. The University squad went in the first half with the full intention of taking the game, and really their best work was done in this half.

The ball was kept in the Charleston boy's territory most of the time, and the gains of the University squad were long and fast. After five minutes of play Dargan carried the ball over and Holmes kicked goal. In the next few minutes Charleston tightened up considerably and the boys found difficulty in working some of their best plays. But the goal line was crossed again by Dargan for Carolina after nine minutes' play. This time Holmes failed to kick goal, and the score was eleven to nothing in Carolina's favor.

Farrow had already begun to do some good punting, and in the second half he was called upon many times to perform the kicking stunt. His punts were long and the University boys failed to handle the majority of them. His kicking materially aided in keeping the locals from scoring more than six points in the second half. Seventeen to nothing was the final score, being in favor of the University.

The Charleston boys played good ball, considering the time they have been practicing and the weight of their men. Some of the visitors were

fast and secured the ball many times when Carolina fumbled. Hyde, Cohen and Farrow played the best ball for Charleston College.

Carolina's men showed far better improvement over their work in the Ridgewood game. The forward pass was worked with better success, but it proved to be a bad policy two or three times. The Garnet and Black eleven are showing up better with more training, and if they continue to improve there is no reason why the season of '08 should not be a success.

In the opening play of the game on the kickoff by Farrow to Perrin the latter advanced 10 yards. Two at-

tempts at the forward pass resulted in fumbles, but the ball was recovered and with the ball in the middle of the field Holmes dropped back as if for a kick and advanced 12 yards on the well-known "fake kick" play. Perrin gained five yards on a cross tackle play and Hammond made it five more on a line buck. Dargan clipped off five yards, Belser one, and Perrin made it first and 10 by a run around left end for five yards.

CAROLINA SCORES.

Carolina was now warming up to the play and in the next few minutes there was steady gaining down the field towards the goal line. Belser sent the ball over to Dargan with a gain of 9 1-2 yards by the aid of a forward pass. Hammond made four yards through the line. At this point Cosgrove relieved Bacot at right tackle for Charleston College. Within four yards of goal Dargan carried the ball over for a touchdown after five minutes of actual play. Holmes kicked goal. Score: Carolina 6; Charleston College 0.

Holmes kicked off to Charleston College and the ball was advanced but three yards. Hyde advanced three yards around left end, but Farrow failed to gain and kicked outside. Carolina's ball on the 30-yard line. Hammond gained one yard. On the next play the forward pass was again successfully worked, Belser sending the ball to Dargan for a gain of eight yards. A second attempt at the forward pass resulted in the ball's going over to Charleston on the 15-yard line. Farrow kicked and Holmes brought
