Yesterday saw the inauguration of the university Y. M. C. A.'s campaign to raise \$1000 for the army Y. M. C. A. work and \$100 for the university "Y." In contributing to this cause no man is giving his money to an outside affair. Some hundred and fifty Carolina men and countless alumni and friends are among the soldiers whom the army Y. M. C. A. benefits. Our brothers, our best friends are there or will soon be called. There are men among us today who in the course of the next few weeks will be in service. It is for these men, these Carolina men that you are asked to contribute.

College men as a whole can not be classed as financiers and Carolina is no exception. We are called upon to contribute to many causes but there is none with which we are more vitally concerned than with the promotion of the army Y. M. C. A. work. One thousand dollars looks like a big sum to be collected from a bunch of three hundred college boys. It has never been done before but it is going to be done at Carolina today and tomorrow. The national committee has set \$1000 as the university's quota. It's a reputation we have to live up to. Carolina as your college, its our college. THE THOUSAND DOLLARS MUST BE OVERSCRIBED.

## LEM O'NADE'S LUGUBRIOSITY

## Boobs.

The biggest boob I ever knew  
Is Johnny Jenkins West,  
For he's the flossed up fellow  
who  
In summer wears a vest.

## An Revoir.

Little straw hat, mon chapeau,  
How it grieves me you must  
geau;  
But the feel of felt is seau  
Much the better now, you kneau.

## From a Ceographical Standpoint.

Globetrott: "Haiti! Goodmorn-  
ing; Hawaii?"

T. Raveller: Not much; I'm  
having Samoa trouble with rheu-  
matism."

Globetrott: "Bothered with  
this Chile weather, then are  
you?"

T. Raveller: "Yes Siam."

## Cur Weekly Poem.

Old King Oleo  
Margarine  
Twice each day  
On the table is seen.

## Our Weekly Motto.

What is One thing to one Man  
may be Two to a Drunkard.

## Famous Lines.

Clothes  
Firing  
Bee  
Fish  
Life  
Addie  
Hindenburg (obsolete)  
—o' bull.

## Hoover Done It.

"Oh, what is so rare as a day  
in June?"  
The teacher quoting cried.  
"It must be the mess hall bis-  
cuits we  
Don't get," the student re-  
plied.

## Lem's Lifting Limerick.

There was a young fellow named  
Jude,  
When from home he'd drink beer  
by the flood.  
But he drank some Budweiser  
Before his Elizer.  
And now he's a wiser bud.

## Bone Head.

(In Biology 1.) Prof. Moore:  
"What is one of the chief mouth  
parts of the locust?"  
Mrs. Beymer: "The gizzard."

Our cutest 30-ed wants to  
know what's the use to win a  
game in these dry times anyhow.
