MEN WANTED FOR GOVERNMENT JOBS

The United States government is in urgent need of thousands of typewriter operators and stenographers and typewriters. All who pass examinations for the departments and offices at Washington, D. C., are assured of certification for appointment. It is the manifest duty of citizens with this special knowledge to use it at this time where it will be of most value to the government. Women especially are urged to undertake this office work. Those who have not the required training are encouraged to undergo instruction at once.

Examinations for the Departmental Service, for both men and women, are held every Tuesday, in 450 of the princi-

pal cities of the United States, and applications may be filed with the Commission at Washington, D. C., at any time.

The entrance salary ranges from \$1,000 to \$1,200 a year. Advancement of capable employees to higher salaries is reasonably rapid.

For full information in regard to the scope and character of the examination and for application blanks address the U. S. Civil Service Commission, Washington, D. C., or the Secretary of the U. S. Civil Service Board of Examiners at Boston, Mass.; New York, N. Y.; Philadelphia, Pa.; Atlanta, Ga.; Cincinnati, Ohio; Chicago, Ill.; St. Paul, Minn.; St. Louis, Mo.; New Orleans, La.; Seattle, Wash.; San Francisco, Cal.; Honolulu, Hawaii; or San Juan, Porto Rico.

ANOTHER PROFESSOR ENTERS WAR SERVICE

Prof. H. E. Dennison of the History Department Goes to Camp

Prof. H. E. Dennison, assistant instructor in the department of history at the university has left to enter the next officers' training camp. On several previous attempts to enlist he has been turned down on the ground of "physical inability," but now he has succeeded in passing the local board and all that remains is an O. K. by the final examiners.

Prof. Dennison is a native of Tennessee and is a graduate of his State university. He came to Carolina last session to take up the duties of assistant professor in the history department. Besides teaching many wayward students the law of gravitation, he has found a multitude of friends both in the faculty and the student body. We all regret to lose such a valuable asset to our list of instructors. His place will be hard to fill.
