

PASS RESOLUTIONS ON RECENT TRAGEDY

Faculty and Student Body Express Regret Over Deaths of Two Men

The faculty of the University of South Carolina and the student body adopted resolutions in regard to the recent deaths of M. Goode Homes and Benjamin Haile. The resolutions follow:

Whereas, in the mysterious providence of God two members of our university family circle, Prof. Marshall Goode Homes and Mr. Benjamin Haile, have been removed from the campus under sudden and tragic circumstances; and, whereas, our entire collegiate community has, by reason of this sad and untimely catastrophe, been plunged into deepest gloom and sorrow, be it hereby

Resolved, 1. That we, the members of the faculty of the University of South Carolina, bow in awed and humble submission to a wise, over-ruling power in the presence of this terrible and heart-breaking experience, praying and trusting that "somehow good may be the final goal of ill," and that somewhere and some time the loving Father of us all, who in this hour of sore calamity has seen fit to veil His face in clouds and darkness, may out of this bitter sorrow bring to those who mourn hope and comfort;

2. That we put officially on record our warm affection and esteem for our late associates and friends, commemorating their long and faithful services to this institution, to which they both gave unsparingly of their time and energies in season and out of season;

3. That we extend our deepest sympathy to the bereaved families, each of whom has lost a faithful protector and beloved companion, whose memory they will ever cherish. May their Heavenly Father give them strength and peace;

4. That copies of these resolutions be spread upon the minutes of the faculty, that they be sent to the families of the deceased, and that they be published in the city newspapers.

VIRGINIA WINS FROM GEORGIA

Debate Between Two State Universities Held In Our Chapel

Before a small audience, due to circumstances, the debaters from Virginia won a three to two decision over the gentlemen representing Georgia last Saturday night, May 6. The debate was one of the most interesting ever held in our chapel and all who heard it were loud in the praise of the good work done by both sides.

The query for discussion was "Resolved, That the proposed amendment to the constitution giving the federal government power to tax state and federal bonds should be adopted." Georgia upheld the affirmative. O. B. Lowman and Paxton Howard were the Virginia debaters; C. A. Lewis and R. C. Pitman spoke for Georgia.

E. T. Thompson acted as presiding officer and F. A. Ulmer

was the chief marshal. Prof. F. W. Bradley, Dr. Stanhope Sams, Prof. H. C. Davis, Mr. W. P. Etchison and Dr. A. C. Moore, served as judges who by a three to two vote decided for the negative.

After this debate there was some talk among the representatives of Georgia and Virginia and several Carolina boys interested in debating concerning the possibility of organizing a debating league of the Southern State Universities. It is to be hoped that some plan can be worked out by which it would be possible to determine the university that has won the Southern championship in debating.

A PROOF OF DARWINISM.
