

**"Y" FINANCE CAMPAIGN STARTED ON CAMPUS**

**THIRTY-THREE GIVE \$211.00**

**Prof. Bradley Makes Talk at Committee Meeting Wednesday Night.**

At Finance committee meeting Wednesday Night 33 men on the committee to canvass the student body pledged \$211.00 to start off the campaign. The Y. M. C. A. is now on a campaign to raise \$1,000.00 to complete a budget for \$29,000.00 for the work of the Y. M. C. A. for this coming year.

Prof. Bradley made a stirring talk to the men on the committee commending the work of the "Y" here on the campus and comparing it to the work that was at Carolina during his college days. Then Mr. Bell called for pledges and they began to come in fast. The first two pledges were for \$25.00 and ranked on down from that to \$3.00. The men on the committee were enthusiastic and said that they did not anticipate any trouble in getting the funds raised. Each man on the committee was asked to see only 10 men. The pledges are to be turned in tonight. Mr. C. B. Williams is the head of the campaign. Any man missed can make out a check to the University Y. M. C. A. and turn it over to Mr. Williams.

—U.S.C.—

**THE "Y" POLICY FOR THE COMING YEAR**

At the meeting called of the "Y" Council before school started this year, the policy of the Y. M. C. A. was outlined. This new policy is outlined as follows, 100 per cent membership in Churches, 100 per cent of the men on the campus in a Bible Class and 100 per cent of the men enrolled as "Y" members.

With increased force the "Y" will be able to be of more service to the men on the campus than ever before. A new Ping Pong table has been added in Flinn Hall, a room set aside on the second floor where committees and clubs may hold meetings without being disturbed, and some new paper binders added. Everything is being done to improve the service until the time when a new building can be secured.

However, the big thing about the "Y" this year is that the "Y" force wants to be of more individual help to the individual student. The secretary hopes to meet every man on the campus and to know him personally. He wants to be able to help him with his problems whatever they may be. The meetings will be along the line of setting a standard of life and will be addressed by the best men that can be secured. On the whole it seems that the campus can look forward to a better spirit from the "Y" this year than ever before. Thru the co-operation of all the campus it is hoped that a high morale be set and maintained throughout the entire year in matters religious, social, spiritual, intellectual and athletic.

—U.S.C.—

**BETWEEN DRINKS**

It was the other day, that rainy day during last week, you remember that day, when I came across a Freshman looking for some other College lad. His name he said was Burney "Hall" He had searched the campus wide looking for the boy—Finally I saw him again and this time he was by Burney—but it was the College boy this time—Wonder if you know the difference between Burney College and Burney Hall. I do.

**TOBACCO WITHOUT SMOKING**

We suppose that on New Year's day every year Charlie Dawes turns over a new pipe.

**Y. W. C. A. HOLDS ITS FIRST MEETING**

The Y. W. C. A. held its first meeting of the year, Monday afternoon at Flinn Hall. A good many girls braved the downpour and attended the meeting.

The devotional was conducted by Miss Martha Killingsworth and this was followed by the singing of the national "Y" song, "Follow the Gleam."

Dean Dillard was the speaker and she emphasized the importance of the Y. W. C. A. on the campus. She urged all the new girls to become members of the Y. W. and gave many reasons why they should join. She spoke of what the Y. W. stands for and especially of the opportunities for service that are open to young women of today. Dean Dillard commended the religious atmosphere which exists on the campus. Her address was very inspiring and timely.

The new girls were cordially welcomed by the President and the officers and cabinet members were introduced. They told of their respective duties and asked the co-operation of all the girls.

The Y. W. C. A. is endeavoring to have every girl on the campus become a member.

The purpose of the Y. W. C. A. is to lead students to faith in God through Jesus Christ by praise, worship and fellowship and to endeavor to keep before the eyes of the students the Christian ideal of living.

The meeting was closed with a hymn and a prayer.

—U.S.C.—

**B. D. G.'S ARE ORGANIZED**

Over 300 men enrolled in the B. D. G.'s on the first night, is the new record by the University Y. M. C. A. on the start of the Bible class series. There were 33 classes started, or one in every tenement on the campus and on each floor of the new buildings.

These Bible discussion groups have proven one of the most interesting things on the college campus. Two years ago every man on the campus but five attended at least one meeting and the committee is going to put every effort forward this fall to make an even better record than that. According to the general custom the "Y" will give either a feed or reception to every man with perfect attendance and to all the regular members of the winning class.

Some of the rules governing the meetings are given below.

a. Every member of the class must come from either the tenement or floor allotted to that class or be from out in town.

b. Scoring will be on a percentage basis, each class having a possible 100 points for each meeting, if all members are present and a percentage of that 100 taken off each member absent. Besides this five points will be added for each new member secured.

c. A new member added after the first meeting must attend three meetings to be classed as a member.

The list of the teachers with the classes they will teach are given below.

Name Of Teacher	
J. A. Henry	1
F. R. Gressette	2
"Bill" Poole	3
D. C. Brock	5
J. L. Mills	6
