ALL CAROLINA AFFAIR

Admittance by Presentation of Athletic Tickets—LaMotte's Orchestra to Play

Practically all arrangements have been completed for the annual Thanksgiving dance given by the social cabinet, and according to information received Thursday, it will be the biggest and most elaborate ever sponsored by this committee. Admittance will be free, but in order to make it an exclusive Carolina dance, all men students will have to present their athletic pass-books before they will be permitted to enter.

Especial plans have been made for the decorating of the gym, the contract having been let to C. T. Langley. Punch will be served and favors distributed.

It has been the custom for the Gamecocks to play for the annual Thanksgiving dance, but as they have a scheduled engagement at the University of North Carolina, Waldo LaMotte and his Orchestra will in all probability play this year.

After football season the social cabinet plans a series of Saturday night dances similar to the athletic balls held after varsity football games. These dances will be script.

The social cabinet for the current session, consists of Ethel Ann McLure, T. M. Craig, and Si Seideman, student members, and Professors McCrae and Coleman, faculty members.

Mrs. Rucker is going to live in one of the daylight houses with Miss Irene Dillard. She has not made any definite plans for the future but it is probable that she will become connected with the University.

"I have lived here since Mr. Rucker's death because I love the old place so much and because he requested that I do so," is Mrs. Rucker's attitude toward her home.
