

RODDEY MEDAL DEBATE QUERY IS ANNOUNCED

Keitt Medal Finals Friday, January 13th—Debating Council Discuss Other Plans

FINALS ON DECEMBER 16TH

Primary System of Elections to Be Subject for Coveted Award

"Resolved: That the Primary System of Elections should be Abolished," will be the subject for the Roddey medal contest, the finals of which will be held Friday night, December 16th, in the chapel, in competition for the coveted award donated annually by Mr. John T. Roddey of Rock Hill, to the best individual debater of the University. Each of the literary societies will furnish two men, one to uphold the affirmative and one to uphold the negative. According to a ruling of the Debating council, the contestants in the finals must wear tuxedos.

The Keitt oratorical finals will be held on Friday night, January 13th, also in the chapel. Three men will be chosen from each of the literary societies in preliminary contests to compete in the finals. No man who has won either the Keitt or the Gonzales oratorical medals will be eligible for competition. The Debating council also ruled that no speech can be used in this contest which has won any oratorical contest, sponsored by the council, in the past. Speeches that have been delivered but that have not won are permissible.

The council, at its last meeting Thursday in Petigru college, shaped its plans for the coming season. An ambitious schedule is in the making. Oregon State College will be the first met, when the western institution journeys to Columbia this February. The query to be debated is on the protection of American interests in foreign countries. The side that Carolina will uphold is not as yet definite. This will be settled in a short time, together with the exact date of the contest.

The Debating council is composed of the following members: Dr. Douglas, chairman ex-officio; Professor Ben D. Hodges, chairman; and Professor Havilah Babcock, faculty members, Donald Russell, vice chairman; Joseph Karesh, secretary; A. Ray Godshall, and Edward K. Pritchard.

Miss Edna Johnson To Visit University

Traveling Secretary for Student Volunteer Foreign Mission Movement

Miss Edna M. Johnson, traveling secretary for Student Volunteer Movement for Foreign Missions, will be at the University on November 13 and 14. Miss Johnson is a graduate of the College of Emporia, A. B. 1927.

Her participation in a variety of activities on her own campus, especially choral and literary work, gives her a sympathetic insight into student interests, and affords natural points of contact.

Her associations with the S.V.M. as a local group leader and union officer enable her to interpret to others the very vital relationship of this movement to missions.

Her own purpose to enter some form of Christian service abroad has led her to a study of conditions and needs which qualifies her to challenge her fellow students to find their relation to this world enterprise.

Miss Johnson will be the guest of Miss Clara Lane who is president of the city union of S.V.M. Her usefulness on our campus depends largely on the preparation which is made for her coming.

Mary had a wad of gum,
She chewed it long and slow,
And everywhere that Mary went,
The gum was sure to go.

Intermission

She carried the wad to class one day,
Which was against the rule,
The professor took the gum away,
And chewed it after school.

Armistice Day Dance Held Tonight in Gym

To Be Sponsored by the Junior Class—Promoted on the New Plan

The Junior class of the University will give the Armistice day dance in the University gymnasium tonight, beginning at 9:30 and ending at 2. Waldo LaMotte and his orchestra will play.

The dance is being promoted on a new plan. Students with athletic-tickets and alumni with association membership cards will be admitted for \$1.00. All others will be charged \$2.00. There has been some discussion as to charging the alumni \$2.00 for admission. The officers of the junior class feel certain that the present plan will be satisfactory to the alumni. Membership in the Alumni association will be equivalent to possession of athletic tickets. The presentation of association cards shows that the alumni are interested in the University and are willing to pay their dues to receive the same privileges accruing to the students, who pay for their athletic tickets and are thereby admitted for \$1.00.

Ralph Lewis, president of the junior class, is chairman of the committee in charge of the dance.
