A.D.P. Sorority Gives Reception and Dance

Final Functions of Installation Attended by Scores of Students

Installation of Beta Epsilon chapter of Alpha Delta Pi, national sorority, ended with a reception and dance at the gym last Saturday night. The reception was held from nine to ten. The sorority colors, blue and white, were used very effectively in the decorations. Suspended from the ceiling was an imitation banner, with two stars at the end and "Alpha Delta Pi" in the center.

In the receiving lines were: Mrs. John J. Seibles, Miss Harriet Baker, Mrs. Kinnaird Rowe, Tom Moore Craig, James G. Driver, and Dr. and Mrs. Davison M. Douglas.

The dance which immediately followed the reception that was held as the final function of the installation of Alpha Delta Pi was attended by scores of students and out of town guests, for the dance, furnished by the Gamecock orchestra, began at 10 o'clock, and lasting until midnight. Special numbers were the national Alpha Delta Pi song, "I Love the Pin," and "Alpha Delta Pi Sweetheart," which ended the dance. The grand march was led by Miss Harriet Baker, senior leader, with Tom Moore Craig, and Miss Clarge King, graduate leader, with Cecil Scott.

Chi Omega Sorority Entertains Alumnae

Give Informal Dinner at Gamecock Inn—Thirteen Members Present

The Chi Omega sorority, which has recently been established on the campus, entertained with an informal dinner party at the Gamecock Inn last Friday, honoring the alumnae members, Mrs. Stephen Taber, Miss Erin Kohn and Miss Mae Culpepper.

Covers for thirteen were laid at the table beautifully appointed with the sorority colors, cardinal and straw. At each end of the table burned long cardinal candles, and in the center was a huge bowl of white carnations, the sorority flower.

Each guest found her place by the attractive place cards, which further carried out the color scheme. A three course dinner was served.

Classes to Compete in Co-Ed Basketball

In the coming basketball tournament which is scheduled to occur in March, there will be class teams. Competition is keen this year, and it is uncertain who will make the teams. With the gym court having been available only two hours a week, there has necessarily been much outdoor work. The inclement weather has greatly hindered the practice, and shows the increasing demand for more indoor space for co-ed activities. Notwithstanding this drawback it is hoped there will be four excellent teams on the court by the middle of March. Each girl is urged to come out for practices, and by her support make hers the winning team.
