

Eastern Tour Fatal To Gamecock Golfers

The Carolina Golf team returned from a trip abroad this past week end boasting a win and a defeat. They topped the Furman golfers with a decisive 15-3 score and dropped one to the Clemson team 16½ to 10½.

Demos Jones was medalist in both contests, shooting a 73 in both

matches. Carolina's Art Stobb shared medalist honors in the Furman tilt with a 73. Furman's Dan Marshall fired a 76.

In the Clemson contest, Dick James of Clemson came in only one stroke ahead of Jones with a 74.

This brought the Carolina record to two wins and two defeats, having suffered the latter at the hands of Duke University and Clemson and having won from North Carolina State and Furman.

The next home match was on April 8 against The Citadel and after that the Gamecocks will meet the Wake Forest team here on April 10.

Pictured above is Otis Raul, junior, a Gamecock hurler whose first two performances against Michigan State and Clemson have established him as a mainstay on the Carolina chucking staff. Raul, who has had experience in college ball (his record last year was 1-5), pitched a two-hitter and a four-hitter so far this season. He limited Clemson to two earned runs and blanked the Michigan State team. Raul goes from the right side both on the mound and at bat.

Carolina Bows To Clemson In First Track Meet, 76-55

The University Track team bowed before a mightier Clemson thin-clad aggregation last Saturday as the Tigers managed a 76-55 win in the opening meet for both schools.

Bobby Drawdy and Dick McBride were the Carolina mainstays who kept the Gamecocks dangerous throughout the meet and scored ten points each.

Buck George was high point man for the Tigers, who got off to an early lead in the meet. George scored nine points.

Carolina placed first in seven out of the fifteen events but failed to muster the point making seconds and thirds in sufficient quantity to compensate for the first place posts they missed.

The next Carolina track meet will be with Presbyterian College here on Friday, April 11.

I am Industry-1952

Ushered into a new world,
I had a bustling, brawling, bruising youth.
I was a potential giant awakening in a world of giants.
People were hurt when I first stirred in life;
Then I grew and learned;
Then I matured and knew
Though I work with water as
I am more than these things.
I am the people's work!
I am the people's dream!
I am the people!

With maturity, I have grown, too, in social responsibility,
To the people,
To America!
And even to those beyond our shores.
My efforts are not in selfish interest;
Rather, all my brain and brawn strives for the good of the many.
I am the American way!

Now, I have sworn that these things shall be:
I shall deliver ever-better products to those who use my fruits!
I shall offer equal opportunity to those who work at my side
Whatever their race!
Whatever their creed!
Whatever their color!
Whatever their national origin!
I shall forever do my part to keep America great!

And why?
Because only in this way can I remain a healthy force in our free world.
For when I am healthy, America prospers
And tyrants tremble before my might.

I am America's life-blood!
I am America's strength!
I am the bulwark of the World's freedom!
