FOOTBALL BEGINS

Intramural Swimming Finals Are Scheduled

Nine fraternities will battle in the finals of the intramural swimming competition tonight at 6:30 in the University swimming pool. Preliminary tryouts were held Wednesday.

The list of events that comprises the meet includes: 150-yard medley relay, 100-yard free style, 50-yard backstroke, 50-yard free style, 50-yard breaststroke, 200-yard free style relay, and diving. Sigma Chi won the event last year and should be favored to take it again.

Action in the fraternity football leagues got under way Tuesday afternoon as three games were played. PiKA and Lambda Chi battled to a scoreless tie. The game will be replayed if the points make any difference in league standings. Chester Duker caught a touchdown pass with less than 16 seconds left to play to lead Sigma Chi to a 7-0 victory over Pi Kappa Phi. Richie Hoffman scored the extra point.

SAE overpowered SPE 16-6. Jaycocks threw two touchdown aeriels to Bill Cain for SAE. Evans and Kimbrell added the extra points. Wooten was responsible for a two-point safety for the winners. Koetsch passed to

Krich for SPE's tally.

Next week's schedule was listed by Gene Odom, student intramural director as follows: Tuesday, October 15—Chi Psi vs. KA, Sigma Nu vs. Phi Kappa Sigma, and Phi Ep vs. Phi Sigma Kap; Wednesday, October 16—SPE vs. Pi K Phi, Lambda Chi vs. Sigma Chi, SAE vs. PiKA; Thursday, October 17—Chi Psi vs. Phi Kap, KA vs. Phi Sig, and Sigma Nu vs. Phi Ep.

Odom has not yet arranged a schedule for the Independents who will play on Mondays and Fridays. Around six independent teams have been entered.

"SMALL-TOWN BOY"

Dwight Keith, big reserve center for South Carolina's Gamecocks, would have you believe he's from the sticks. Someone asked him how he felt during the Duke game which the Gamecocks lost, 14-26. "Well, (Bobby) Barrett went back to punt in the third quarter, and when I bent over the ball and looked through my legs, I got scared. I almost couldn't find Bobby among those 40,000 people; he looked like a peanut." (Keith is from Atlanta; his dad, Dwight Keith, Sr., is editor and publisher of Coach and Athlete.)

THAT FOURTH QUARTER SURGE . . . Alex Hawkins, just left of the official's knee, scores South Carolina's second touchdown against the Texas Longhorns. King Dixon (20) seems to be jumping for joy as his touchdown twin makes another six points. Hawkins also scored again on an 18-yard run, passed for another to Dixon and kicked three extra points. Dixon scored the Gamecocks' first touchdown on a long 98-yard run on the opening kickoff. (Gamecock Sports photo by Sanders)

MEET THE GAMECOCKS: #4

Sophomore Bill Jerry Wanted To Play Football In The South

By Tom McLean Sports Writer

One of the many "Yankee" boys who have found their way down South to become a member of the "Fighting Gamecocks," is sophomore tackle Bill Jerry of Old Forge, Pa.

It's not by mere accident that Bill came down South, but his presence at Carolina didn't come until a series of events changed his southerly

course. "Since I was a freshman in high school," Bill said, "I had always wanted to go to college down South. Then when I graduated and got a chance to go down on a football scholarship, I jumped at the opportunity."

Bill's first stop was at Potomac State Junior College in West Virginia. This was intended only as a temporary stop, however, and he was supposed to go on to North Carolina. In the meantime, the big man from McColl, Jim Tatum, was named head coach at UNC. Then, Marvin Bass, assistant coach at North Carolina, was

named to the coaching staff of South Carolina. Having no special affection for Tatum, Jerry decided to follow Coach Bass to Columbia.

Bill played first-string tackle four years for Old Forge High, during which time the team won 38 out of 40 games and boasted one of the best teams in Pennsylvania.

While sweeping to the conference championship four years in succession, the team didn't lose a conference game. They were undefeated in his junior and senior year. In Bill's senior year, the Old Forgers scored 365 points to their opponents' 20. Of these, Jerry scored 40 himself. He scored three touchdowns on blocked kicks and the rest on extra points and field goals. This impressive scoring total is somewhat unusual for a lineman.

Jerry captained the team in his senior year, made the Scranton area all-star team, and followed it up with a spot on the all-state squad. He also played in the Pennsylvania "Dream Game." This

Many Stars Compete In State Encounter

A pair of South Carolina teams who figured in upsets last weekend, will have each other to contend with in an afternoon game at Carolina Stadium tomorrow.

South Carolina's Gamecocks, fresh from their triumph over Texas, will meet Furman's Purple Hurricane in the 40th game of their 62-year-old rivalry.

Dixie Classic Pairings Are Drawn In N.C.

Pairings for the ninth annual Dixie Classic Basketball Tournament were drawn at Raleigh Tuesday morning in Roy Clogston's office in Reynolds Coliseum.

The holiday tournament, which begins Dec. 26, will have as its visiting teams this year Seton Hall, Duquesne, Northwestern and St. Louis.

The host teams will be North Carolina State, Duke, Wake Forest and North Carolina. The Tar Heels are the defending champions. Last year Coach Frank McGuire's national champions beat Wake Forest, 63-55, for the title, ending a seven-year North Carolina State title monopoly.

The pairings were drawn from a hat by the head coaches of the host teams. They are McGuire, Everett Case of State, Horace (Bones) McKinney of Wake Forest and Harold Bradley of Duke.

The three-day tourney, one of the nation's outstanding events, drew 71,200 fans into Reynolds Coliseum last year for a new attendance record.

is quite an accomplishment in a state the size of Pennsylvania.

Last season at Carolina, Bill played with the bohooks. This year he has been alternating with John Kompara on the first and second units and he has certainly lived up to the big things that were expected of him.

Jerry is not the only athlete in his family, his brother was a guard at Villanova and made several All-America teams.

His only dislike is cold plates. When asked what he liked most about South Carolina, Bill had this to say, "I like the people and the school as a whole, everything is just great."

Sounds like the words of a true "rebel."

It will mark the first day game of the season for the Gamecocks, who also have a victory over Wofford and a loss to Duke on their record this fall.

Furman, besides beating George Washington in a Southern Conference stunner, Saturday, also has a victory over East Tennessee State Teachers to its credit. The Purples, coached by Homer Hobbs, have lost to Florida State and Villanova.

Hicky Horton

Four of the state's top backfielders will be seen in action tomorrow. Furman's Jerry Penland, a halfback who received All-America honorable mention last season, and Jimmy Grant, a fullback, who USC scouts declare a man to be feared, are among the top material in the Southern Conference. Also included on this Purple Hurricane is Hicky Horton, who plunged for one of the Furman touchdowns in the George Washington game.

Freshman Shelly Sutton converted the extra point which decided the winner of the Southern Conference battle after George Washington had taken a commanding 12-point lead in the first quarter.

South Carolina prides itself in the presence of King Dixon and Alex Hawkins, both of whom are considered foremost in the race for All-Atlantic Coast Conference honors.

The Gamecocks have never scored more than 27 points against the Furman aggregation. In fact, the Gamecocks have won 22 games from the Purples, while losing 17 and deadlocking in 1933, 0-0.

Game time for the intra-state battle is 2 o'clock.

JOB FACTS FROM DU PONT

BETTER THINGS FOR BETTER LIVING THROUGH CHEMISTRY

DU PONT SIZE, GROWTH PRESENT VARIED CHOICE OF JOB LOCATIONS TO QUALIFIED TECHNICAL MEN

Building Program, Expansion Create Many Opportunities at Company Plants and Labs

Engineers and scientists of all kinds work in 75 DuPont plants and 98 laboratories scattered over 26 states. Where you're assigned depends on your qualifications and the openings in the kind of work you want.

Geographical Spread

Right now, most of the DuPont units are located east of the Mississippi, but there are plants in Texas, Colorado and on the Pacific Coast, too. And new building is under way in Kansas, Tennessee, Virginia and North Carolina.

DuPont headquarters and many of the Company's labs and some of its plants are situated in and around Wilmington, Del., an attractive residential area within convenient traveling range of Philadelphia, New York and Washington.

Community Life

Wherever you're assigned, you'll find that the DuPont Company and its people are interesting, companionable and active in the life of the community.

As you move ahead, as you grow in your job, you may move to another plant or laboratory—a possibility that adds to the variety and interest of your job.

METALLURGISTS PLAY VITAL ROLE AT DU PONT

Opportunities in metallurgy at DuPont include research into the nature and properties of elements; development and supervision of pilot plant work; and the actual production of titanium metal and high-purity elemental silicon.

Other DuPont metallurgists study problems relating to plant processing equipment. Some, for example, carry out research on intergranular corrosion or investigate failure relationships encountered in high-pressure operations.

These projects offer an interesting career to graduating metallurgists.

BENEFIT PROGRAM MEANS ADDED INCOME

by F. L. Johns
DuPont Representative

Don't forget the "extras" of an employee benefit program when you compare the job offers and salaries of different companies. At DuPont, these extras mean added income that doesn't always meet the eye. They include life insurance, group hospitalization and surgical coverage, accident and health insurance, pension plan and paid vacation.

In addition, the Company sponsors a thrift plan. For every dollar you invest in U.S. Savings Bonds, the Company sets aside 25 cents for the purchase of common stock in your name. Roughly 65 per cent of our 90,000 employees are now participating in this plan.

If you have specific questions on DuPont benefits, just send them to me. I'll be happy to try to answer them. E. I. du Pont de Nemours & Co., Inc., Room 2504-A Nemours Bldg., Wilmington 98, Del.
