

Wake And 'Bones' Visit USC Tonight

SHOT OF THE WEEK

Despite opposition from opponents and teammates alike, sophomore forward Ronnie Collins pulls in another rebound against Furman to help the Birds to their victory over the visitors from Greenville. The slender 6-3 high jumper has broken into the starting lineup in the last three games and boasts a ten-point per game scoring average. (Photo by Nye.)

Schedule For 1962 Brings Wolfpack To USC Stadium

Due to the flair of criticism over the previous Carolina football schedule for the 1962 season, instead of only three home games, four have been slated with the transfer of the N. C. State game to Columbia.

Northwestern and Detroit have replaced Louisiana State and Vanderbilt which were scheduled in '61. Head Football Coach Marvin Bass feels that Detroit will offer more rigid competition than Vanderbilt and that Northwestern will be in near comparison to Louisiana State.

This year there will be no game in Columbia during the State Fair week as the North Carolina game has been scheduled in Chapel Hill. The remaining home games besides State will be Georgia, Wake Forest, and Virginia. Bass says this schedule will be just as difficult as last season's.

The Gamecock's 1962 football schedule released last Saturday is:

Sept. 22—at Northwestern
Sept. 29—at Duke
Oct. 6—Georgia (here)
Oct. 13—Wake Forest (here)
Oct. 20—at North Carolina
Oct. 27—at Maryland
Nov. 3—Virginia (here)
Nov. 10—N. C. State (here)
Nov. 17—at Detroit
Nov. 24—at Clemson

Coach Joe Grugan announces that varsity baseball practice is being held at 2:00 every afternoon at the Field House. Starting Tuesday, he is looking forward to a bright season with several promising players returning. Boys desiring to try out for the varsity squad are urged to meet practice promptly.

All-Sports Point Standings Fraternity Standings

Pi Kappa Alpha	278.5
Kappa Alpha	260.5
Sigma Nu	259.0
Phi Kappa Sigma	246.5
Kappa Sigma	236.5
Sigma Phi Epsilon	200.0
Lambda Chi Alpha	194.0
Sigma Alpha Epsilon	165.0
Sigma Chi	155.0
Pi Kappa Phi	152.5
Pi Epsilon Phi	134.5
Alpha Tau Omega	124.0
Chi Psi	114.0
Phi Sigma Kappa	60.0

Independent Standings

Zone 3	252.0
Zone 5	251.0
Zone 1	219.25
Zone 9	214.75
Zone 11	188.0
Zone 2	162.0
Zone 6	154.0
Zone 7	135.0
Zone 10	119.0
Zone 8	115.25
Zone 4	98.50
Zone 12	74.25

The roof falls in on an unidentified Furman player in the form of high-flying Gamecock guard Bobby Robinson. The ball goes astray in this attempted layup by the senior playmaker from Camden, but the Birds were successful in enough of their other shots to pin a loss on the Paladins. (Photo by Nye.)

Racehorse Action Is Predicted

By Fred Schumpert

Carolina Field House will tonight be the dueling grounds for two surprising basketball teams and two of the more energetic coaches in the Atlantic Coast Conference.

Wake Forest, after losing to Duke, the top contender for the conference title, will attempt a resurgent victory over the Carolina Gamecocks. All-American Len Chappell, ranking second in the ACC and 6th in the nation in scoring, will combine his talents with teammate Billy Packer and pit battle against Art Whisnant, holding the number three spot in conference scoring, and his fearsome four.

Whisnant, only 6-4, will have a four-inch deficit in height against the towering 6-8 Chappell. But with the tandem performances of Bobby Robinson, Bud Cronin, Scotti Ward, and Ronnie Collins, the Gamecocks will be fighting to postpone the Deacon threat.

Pre-season sportswriters chose Wake Forest to roost high with the Buckeyes of Ohio State for national ranking. Since their loss to "Jerry Lucas, Inc." at the beginning of the season, the Deacs have yet to demonstrate their strength. Posting a 4-2 conference and a 7-6 over-all record, they are presently jousting for third place in the ACC.

Billy Packer, 1961 All-ACC guard and number eight in scoring, along with Dave Wiedeman, in his first season as a starter, will both be a mutual network of confusion for the back court combination of Scotti Ward and Bobby Robinson. All are consistent outside shooters, so the "short men" should get quite a workout.

Carolina, supposedly the low bid partner with Virginia, has used Coach Bob Stevens' omens as a guide in their present fifth-place status. Using a "centripetal-type" offense (continuously working the ball toward the goal), and an "eye-to-eye" defense, the Gamecocks have stymied 10 of their 17 opponents.

Stevens, realizing the validity of Football Coach Marvin Bass's "twelfth man," has himself built a unit of reserve strength . . . a strong spirit among the student body. Every visiting team that has set foot in the Carolina Field House this year has been spotted at least a 10-point underdog due to the continuous pressing and "ragging" that they receive. Any opposing player with the slightest trace of potential or any type of record will tend to catch a mild case of schizophrenia within minutes after the starting whistle.

Orb Bowling, the 6-10 center from Tennessee, left the field house with his nose in a package in the Gamecocks' opening game Tony Laquintano of Virginia made his debut as the masked marvel and received quite a reception. Duke's Art Heyman was ushered onto the court as a jailbird, Jerry Smith of Furman proudly donned the title of the "white knight," and Jon Speaks of N. C. State was impugned from the opening moments of his TV appearance. What's on tap for Len Chappell??

"Bones" McKinney, 1961 "ACC Coach of the Year" will also be another obstacle confronting cool, reluctant Bob Stevens' blueprints for victory. McKinney, as is true for his team, will have a height advantage over Stevens. But with cautious planning, Stevens will be using every available inch of the gym floor in an attempt to outclass the perennial rival from across the state line.

PiKA And Zone 3 Lead In Standings As Cage Play Opens In Intramurals

Intramural basketball begins Wednesday with four games as the race for the All-Sports trophies gets tighter and tighter in both the Fraternity and Independent divisions.

Five Fraternity teams are tightly grouped at the head of the standings, with only 42 points separating the top quintet in the All-Sports trophy race. The situation is almost duplicated in the In-

dependent standings, with four teams all fighting for the lead and several challengers coming fast from the ranks.

PiKA has surged to the forefront in the Greek division with 278.5 points. Contesting vigorously for the second spot are KA and Sigma Nu with 260.5 and 259.0, respectively. Phi Kap is lurking in fourth place with a 246.5 rating, while only ten points behind is Kappa Sigma sporting a 236.5 count.

A two-team dogfight has developed in the independent ranks, with Zones 3 and 5 only separated by one slim point at 252 and 251. Two more two-hundred pointers are Zone 1 with 219.25 and Zone 9 with 214.75. The group to watch, however, is Zone 6, last year's winner. Far back with 154 points, the Zone 6'ers field powerful units in both basketball and volleyball

and are to be reckoned with in the future.

In basketball, an important game between Phi Kap and Sigma Nu will open the action at the Old Gym at 6:30 Wednesday night. In the second contest, Zone 11 will face Zone 2 at 8:00.

University High will be the scene of the other action Wednesday night when Chi Psi meets ATO in a League II match at 6:30, followed by the Zone 8 and 10 match at 8:00. Play in the Field House, the third court to be used in Intramural games, will not begin until later in the season.

The Old Gym doubleheader for Thursday, February 8, will show Sigma Chi facing Kappa Sigma, while SAE takes on SPE in the night cap. At University High the same night, games will be between Phi Epsilon Pi and KA, and Phi Sigma Kappa and Lambda Chi.

THE SAFE WAY to stay alert without harmful stimulants

Never take chances with dangerous "pep pills." Instead, take proven safe NoDoz. Keeps you mentally alert with the same safe refresher found in coffee. Yet NoDoz is faster, handier, more reliable. Absolu-

tely not habit-forming. Next time monotony makes you feel drowsy while driving, working or studying, do as millions do . . . perk up with safe, effective NoDoz. Another fine product of Grove Laboratories.

RCA, builder of Tiros Satellite, needs young engineers today for spectacular achievements tomorrow

Tiros has broadened man's scope of the heavens and earth. From an orbiting observation post high in the sky, it transmits a new wealth of meteorological information to earth-bound stations below.

Tiros is only one of many RCA successes in the wide, wide world of electronics. And as the horizons of electronics steadily expand, the need for more and more competent and creative engineers increases in direct ratio. That's why RCA, now in the forefront of electronic progress, offers such tremendous opportunities for Electrical Engineers, Mechanical Engineers, and Physicists.

If you already know what you want to do in engineering . . . and are qualified, RCA can offer you direct assignments in your chosen field, and back you up with training and guidance by experienced engineers.

If you're not quite sure which direction you want to go . . . RCA's Design and Development Specialized Training will help to point the way. You'll receive full engineering salary while you progress

through engineering assignments that give you a clear picture of various fields you might choose.

Or, if you'd like to continue your graduate study . . . RCA will pay full cost—tuition, fees and approved text—while you go to school or study two days a week, and work at RCA three days.

These are only a few of the many reasons for getting all the facts about a career with RCA. See your placement officer now about getting together with an RCA representative, for an interview on:
