ART TRIP

A bus trip to Greenwood to view a sculpture exhibition by Salvadore Dali is being planned by the Arts Committee if student interest is high enough, according to committee chairman Jane Showalter.

The exhibition consists of sculpture covered with jewels such as rubies, emeralds and diamonds.

Showalter explained that some of the more unique works were a golden heart covered with rubies which pulsed, and a gold and diamond flower that opens and closes.

Interested students should contact Kirk Showalter at 5619 or write her c/o The University Union, USC.
