

Biddies stomp Cubs with strong running

The Carolina Biddies, sporting a new offensive formation, throttled the Clemson Cubs, 41-14, at Clemson Monday afternoon.

Running almost exclusively from a never-before used full-house backfield, backs Tom Zipperly and Tom Amrein each scored twice in leading the freshman to an impressive 281 yards on the ground.

For Zipperly it was a record-breaking performance. The 6-0, 170 pound tailback from Plantation, Florida, broke the frosh record for most touchdowns in one season. The old record (6) was held by Roy Don Reeves, Jimmy Mitchell and Billy Ray Rice.

Clemson's offensive unit on the other hand, was plagued by seven turnovers, two being fumbles deep in Carolina territory.

Both teams got off to a slow start, neither scoring in the opening period. The second quarter, however, saw the Biddie offense return to its high-scoring ways. Early in that period USC quarterback Dobby Grossman capped a 36 yard drive with a 14 yard pass to tight end Steve Blackmon to put Carolina out in front, 7-0.

Grossman then utilized the powerful running of Zipperly, Amrein and Billy Creager to complement his clutch first down

passes to Tommy Middlebrooks as the Biddies moved to the Clemson 25. From there Amrein took over, slashing around left end through the Cubs' defensive secondary and into the end zone for his first touchdown. After the Buck Thompson extra point, the score stood 14-0.

The next time the Biddies had the ball, it took but one play for them to score. Back-up quarterback Andy LeHeup fired a 64 yard strike into the hands of split-end C. A. Wilson for the touchdown stretching the Carolina edge to 21 points.

Clemson got on the board late in the second period as Bruce Gaston hit Dennis Smith for a 53 yard touchdown pass, making the score 21-7.

The Biddies, late in the third quarter, again behind the strength of their powerful running game, drove 81 yards for another score. Zipperly busted in from 6 yards out, with his sixth touchdown of the season, tying the scoring record. Thompson converted making the score 28-7, Carolina.

The Cubs pulled within 14 as Jimmy Williamson raced into the end zone from 50 yards out. Steve Fitts' conversion was good and suddenly Clemson was back in the ball game.

The Biddies, however, using their solid running attack, started playing ball control and eating up the clock. Aided by the USC defense which picked off four Cub aerials, and came up with three recovered fumbles, the offense had good field position for much of the afternoon. To ice the victory Zipperly scored from the six, and, after an intercepted pass, Amrein rambled in from the eleven. Zipperly commented after the game, "The offensive line blocked well the entire game."

The Biddies, now 3-0 with two games remaining, return to Carolina Stadium Friday, November 5, hosting a tough Georgia Tech team.

Not since the burning of Atlanta by General William T. Sherman has the deep South had such a decisive defeat pinned on it. And not since the Great Wall of China has there been a defense that has been so picked apart. And not since Sonny Jurgenson have I seen a quarterback as good as Gary Huff.

The statistics of Florida State's trouncing of USC bear this fact out. Huff completed 26-41 passes for 366 yards and five touchdowns. To say nothing of his running for a sixth. Almost by himself, the junior quarterback humbled Carolina's vaunted defense in the Seminoles' 49-18 victory over USC.
