## Fall receipts get basketball tickets

The ticket distribution committee has announced students' fall semester treasurers fee receipt will be used to issue basketball tickets for the first four games.

Clint Sloan, chairman of the ticket committee, said no student would be issued a ticket without the receipt. In addition, no student will be allowed to pick up more than two tickets.

Each student will be required to present his I.D. and it must correspond with his treasurers fee receipt before he can obtain tickets.

Tickets for the St. Bonaventure game will be distributed from the Naval Armory, because the Coliseum is booked for registration.

Spring fee receipts will be validated in the Naval Armory on Jan. 14 and 15. After 5 p.m. on the day of distribution, all tickets become property of the Athletic Department.

To the right is a schedule of ticket distribution. Copies also may be picked up at the Russell House Information Desk.

## Once dead business fraternity elects officers, looks to future

The Pi Sigma Epsilon business fraternity once died "because of graduating seniors and non-interested members," according to president Robert Woods, but the fraternity now appears to be reviving.

On Tuesday, November 16, a dinner meeting was held to elect new officers: President--Robert Woods; Vice-President--Rick Phillips; Secretary--Larry Jones; Treasurer--Stan Grades; and Auxiliary Representative--Mindy Story. Initiations for newly elected officers will be held at 2:00 Sunday in Rutledge Chapel. The nine active members of the business fraternity are Eleanor Baskin, John Carpenter, Smith Harrison, Joan Lawler, Gary Proctor, Alex Shuford, Ron Temple, Debra Tiedmann and Bryan Wilson. Dr. Morgan Roth, Dr. Stephen J. Shaw and Professor Gittinger are the three faculty initiates. The fraternity's faculty advisor is Dr. William R. Thomas.

Pi Sigma Epsilon is associated in Columbia with Sales and Marketing Executive. The liaison man between the firm and Pi Sigma is John Lentz.

This fraternity is trying to get as much exposure as possible and requests all interested students to contact either Dr. Thomas or President Woods. "We're

having another membership drive during registration in January," Woods said. "One of our main goals is to have the charter changed at the national convention in April so we can accept females as paying, active members."

The rejuvenation of Pi Sigma Epsilon business fraternity is successful and has a bright future, according to members.

## Garnet-Black beauty applications accepted
