Referendum Set

BY BUNNY SMITH

Gamecock Staff Writer

A referendum will be held Wednesday, April 18, which states that the elections commission will hear petitions concerning election matters before the petition is brought before the Supreme Court. It also changes the wording of the Constitution concerning the terms of office.

The senate passed several bills creating an election revision board to handle election matters. The referendum gives jurisdiction to the board and if the petitioner is not satisfied with the ruling the petitioner may appeal to the Supreme Court.

The wording will be change to read that the term of office will be one

year. In other words, if an officer is elected in the fall he will serve to the next fall.

To vote on the referendum you must present your ID card to a poll worker who will check your name off a computer sheet, then you sign for the referendum ballot on a sheet of paper at the polls. The polls will be open from 9 a.m. to 5 p.m. Polls will be located at: (1) Russel House-Golden Spur for all off-campus students and residents of Roost, Preston, Woodrow, Tenements (Horseshow), married students housing, and McBryde.
