# Old Business. New Business.

Get the "Edge" in your finance and statistics courses with TI's new Business Edge.™  
If you're planning a career in business, the first order of business is to get the right tool for the job you have right now—school.

That's why you need the new TI Business Edge calculator. It features a unique Power Touch™ display panel with five display screens that are preprogrammed to solve 20 of the most essential financial and statistical problems. Just touch the screen to enter and store information.

Solves for such financial results as present and future values, annuities, amortization, and interest conversions. Performs one and two-variable statistics.  
Want to get an edge in business? Get an edge in school first, with help from the TI Business Edge.

The TI Business Edge Unique Power Touch display with touch-sensitive panels: two for financial, two for statistics. Twenty pre-programmed functions in all.
