Lady Gamecocks win third straight on road

Fitness program to be offered in spring By BOB ZA
Staff writer
Staff writer
For those looking to release tensions from a hard day of studying, for those trying to lose weight or
for those who just want to get a look at some for those who just want to get a look at some
healthy bodies, USC's physical education center is offering a new fitness program.
The program, scheduled to begin in the spring The program, scheduled to begin in the spring
semester under the fitness and sports clubs division, includes sessions in aerobic dance, aqua
aerobics, aerobics, stretch-and-tone training and Nautilus
and weightlifting. It will be free to students and and weightlifting. It will be free to students and
faculty and offer various levels of workouts

Sherri Hensley, fitness and sports clubs dizector
and an aerobics instructor, is in and an aerobics instructor, is in charge of the new
progamam. She said hhe is exciet by the preliminary he
Tesponses she has received from students. responses she has received from students. tivities program is financed primarily by student a A pilot program featuring aerobics and aqua through Wednesday, has generated many inquiries and a lot of interest, she said. She said the sessions which meet twice a week, have drawn 35 pars, Education Center. ticipants or between 50 percent and 60 percent of on the initial program is a success, possible ex-
pansion plans include in-house residence hall se hose who received invitations.
