Awesome Alternative in the Midlands

If you can find a Macintosh in this room, we might put one in yours. Free.

MATT GROENING

In what will surely be the easiest test of your intellect this term, Apple invites you to try winning a free Apple® Macintosh® Plus personal computer merely by finding it in this drawing.

We'll even give you a hint: It's not the table, the lamp, or the chair. Now you're on your own.

To register, look for contest details where Macintosh computers are sold on your campus. Oh, all right, we'll give you a hint for that, too: Look at the bottom of this ad. But do it really, really fast. Because only one Macintosh is being given away on this campus, and it's going to happen soon. Soon, as in right away. Pronto. Quick-like. But hey, you can take a hint.

Somebody's going to win a free Macintosh.

For more information call 777-6015 and ask for Bongo or drop by the micro computer demo lab on the third floor of Computer Service building on the corner of Blossom and Sumter.
