Announcing an offer designed to save money for people who are, well, a bit long-winded when it comes to, you know, talking on the phone, and who, quite understandably, don't want to have to wait till after 11 pm to get a deal on long distance prices.

If you spend a lot of time on the phone, the **AT&T Reach Out® America Plan** could save you a lot on your long distance bill. And you don't have to stay up late to do it. Starting at 5 pm, the **AT&T Reach Out® America Plan** takes an additional 25% off our already reduced evening prices.

To find out more, call us at **1 800 REACH OUT, ext. 4093**. And don't worry, we'll keep it brief.

Discount applies to out-of-state calls direct dialed 5:10 pm, Sunday-Friday. This service may not be available in all residence halls.
