The Gamecock

The Gamecock is the student newspaper of the University of South Carolina and is published three times a week on Mondays, Wednesdays and Fridays during the fall and spring semesters and weekly during both summer sessions, with the exception of university holidays and examination periods.

Opinions expressed in The Gamecock are those of the editors or author and not those of the University of South Carolina.

The Board of Student Publications and Communications is the publisher of The Gamecock. The Student Media Department is the parent organization of The Gamecock.

Change of address forms, subscriptions requests and other correspondence should be sent to The Gamecock, P.O. Box 85131, the University of South Carolina, Columbia, S.C. 29208.

Subscription rates are \$20 for one year, \$10 per fall or spring semester and \$5 for both summer sessions. Third class postage paid at Columbia, S.C.

The Gamecock is a registered student organization of the University of South Carolina and is partially funded by student activity fees.

LEAD THE FIELD.

As a nuclear officer, you could lead the field in nuclear propulsion technology. The Navy operates the most advanced nuclear equipment in the world. Including more than half the nuclear reactors in America. The men who maintain and operate these reactors are among the best.

The Navy is accepting applications from qualified sophomores, juniors and seniors for the prestigious nuclear program. This program pays you \$1,260 a month during your junior and senior years. Plus \$4,000 upon acceptance.

After graduation, as a Navy officer, you receive a year of graduate-level training unavailable anywhere else at any price. You become a highly trained member of an elite group leading the adventure in today's nuclear Navy. And, after six years, you can be earning as much as \$53,000.

To qualify, you must be working toward, or have earned, a bachelor's degree and be a U.S. citizen between 19 and 26 years of age. You must also have completed a minimum of one year each of calculus and calculus-based physics with a "B" average or better.

Call the Navy Management Programs Office for information on how to apply. If you'd like to lead the field, join the best in the nuclear field.

For more information: call toll-free at 1-800-922-2135 in South Carolina or 1-800-845-5640 in Georgia.
