If Kaplan Doesn't Get You Your Whites, We'll Give You Back Your Green.

We're so certain that our prep course can help you pass the nursing boards, we'll refund you your money or let you take the course again if you don't pass.

How can we be so sure you'll pass? Maybe it's our 50 years of experience. Our small classes and advanced teaching methods. Or a research department that reacts to test changes before most companies even know they exist.

Whatever it is, the Kaplan method works. So if you want to be a nurse, the time to start practicing is now.
