**SOMETIMES IT TAKES AN ARMY TO PAY BACK YOUR COLLEGE LOAN.**

Paying back your college loan can be a long, uphill battle. But the Army's Loan Repayment Program makes it easy.

Each year you serve as a soldier, the Army will reduce your college debt by 1/3 or \$1,500, whichever amount is greater. So after serving just 3 years, your college loan will be completely paid off.

You're eligible for this program with a National Direct Student Loan or a Guaranteed Student Loan or a Federally Insured Student Loan made after October 1, 1975. And the loan can't be in default.

And just because you've left college, don't think you'll stop learning in the Army. Our skill training offers a wealth of valuable high-tech, career-oriented skills. Call your local Army Recruiter to find out more.
