### Honor.

A good man practices it everyday.

Honor takes on a special meaning when you take on the responsibility of becoming a lawyer in the United States Marine Corps. Your first trial will be to prove you have the qualities to be a Marine Corps Officer—an honor indeed. Once you've proven that, you'll get plenty of experience putting those unique qualities to use in a court of law.

If this sounds like the place where you'd like to sharpen your legal skills, we'll get to the point. Call 1-800-MARINES. However, it's not our practice to take just anyone.

**Marines**

The Few. The Proud. The Marines.
