We don't have catchy ad slogans. We don't hold boring information sessions and we're not going to run a dog and pony show to tell you how great we are. We're PHI KAPPA PSI Fraternity- the second oldest fraternity at USC. For 40 years we've electrified Gamecock fans with our TIGERBURN pep rally. We have an off-campus house, we have top grades, competitive intramural teams, great social events, and a six-week comprehensive pledge program. We are a small and strong chapter that is forging ahead. We're looking for new members that are interested in making an immediate impact in our organization. If you like a challenge and you're tired of the same old fraternity song and dance, give us a call. 256-0772.
