### HETEROSEXUAL QUESTIONNAIRE

- What do you think caused your heterosexuality?
- When and how did you first decide you were a heterosexual?
- Is it possible that your heterosexuality is just a phase that you will grow out of?
- Is it possible that your heterosexuality stems from a neurotic fear of people of the same sex? Maybe you just need a positive gay experience.
- If you never slept with a person of the same sex, how do you know you wouldn't prefer that?
- If heterosexuality is normal, why are disproportionate numbers of mental patients heterosexual?
- To whom have you disclosed your heterosexual tendencies? How did they react?

Sponsored by the Gay and Lesbian Student Association as part of GLAD 1991

## Getting through school can be a whole lot easier!

Success Communications is dedicated to helping you achieve your goals in higher education. When you're trying to plan your future, we'll show you leads on student loans, grants, private funding and more! And we're so confident that our leads will meet your needs that if they don't we'll give you a \$100 saving bond for your efforts.

So call Success Communications today and avoid a sticky financial situation.

## Make Your Reputation As A SEER Consultant

SEER Technologies, a joint venture of IBM and the First Boston Corporation, is a leading provider of applications software for the financial services industry.

Today, we have completed a unique multi-currency securities processing system, NewArc 2000, built with HPS, our leading-edge CASE tool. Tomorrow's possibilities are unlimited. We specialize in developing adaptive, high-productivity solutions for clients building complex, large-scale software applications.

To maintain our dynamic growth, SEER is aggressively recruiting on this and other top campuses for Associate Consultants; positions offering superb career development potential. We are interested in meeting May 1991 graduates with degrees in:

◆ Computer Science ◆ MIS ◆ Engineering

Dual major and/or business-related minor is ideal

Explore the possibilities of employee-status consulting with a top firm, backed by two world-class parent companies. SEER offers competitive salaries and benefits plus immediate stock purchase options.

SEER has offices in New York City and Raleigh; consulting involves travel and may require relocation to a client site.

SEER campus recruiters will visit on March 27, 1991.

Contact the Career Placement Office for more information and an appointment.
