**WHAT A COLLEGE GRADUATE NEEDS MOST
(BESIDES A JOB)**

Other than gainful employment, we think a college graduate needs a car most.

That's where Ford Credit and Ben Satcher can help. We're offering the Ford/Mercury College Graduate Purchase Program. Ben Satcher can arrange special financing through Ford Credit, and \$500 cash back from Ford Motor Company.

Here are the qualifications: graduate with a Bachelor's or advanced degree between October 1, 1989 and December 31, 1991; have verifiable employment beginning within 120 days of vehicle purchase; have a salary sufficient to cover living expenses as well as a car payment. Although a prior credit history is not necessary, if you have one, it must be satisfactory to Ford Credit.

So take advantage of the Ford/Mercury College Graduate Purchase Program at Ben Satcher Ford.

When it comes to helping college graduates, Ford Credit makes the grade.

FORD CREDIT GETS YOU GOING.
