**"IT'S EASY TO FIND TIME TO WORK AT UPS."**

"UPS is flexible I told them I had a problem—classes all morning and labs in the afternoon. They said, 'No problem."

Could I work an evening shift? Perfect. But that's how UPS is. They make it easy for students to work part-time. "Picking your own schedule

is only part of it. I get almost \$10,000 a year, paid holidays, paid vacations and medical benefits—all for working about four hours a day.

"No other company understands students like UPS. And no other company offers more. They make it easy to work your way through school."

Night Shift available only, 11pm - 3am.
