THIS SUMMER,
GIVE YOURSELF
SOME CREDIT.

Myrtle Beach, South Carolina, is famous for its sun, sand and surf, but do you know it's also a great place for summer earning and learning?

You can make your beach break count by enrolling in summer courses at Coastal Carolina College. Whether wanting to get ahead or just catch up, you can accumulate a full semester's credits through Coastal's May semester and two summer sessions. Plus, you can live in our campus apartments for only \$75 a week, and our Job Placement Office will help you in your search for a summer job.

If you're taking a spring break in Myrtle Beach, stop by our Admissions Office Monday through Friday, 8:30 a.m. to 5 p.m., or call us toll-free for more information. This could be your best summer ever.
