**ARE YOU A BUDDING CARTOONIST?**

How would you like to see your strip in print? The Gamecock is accepting comic strips from students to run in future editions. If your stuff is good, won't insult too many people, and you want to see it mass produced, bring it by the Student Media Center, located on the third floor of the Russell House. We will be running different strips in each issue, and there is a good chance you will be included, but remember the final decision is left to the newspaper's editor. So, join in the fun! This is how Breathed got his start!
