Our MicroTHIN™ Lenses Cause Visible Side Effects.

There are times when bigger is not better. That's why only Pearle Vision offers MicroTHIN lenses. Made from advanced polycarbonate material, MicroTHIN offers the following advantages:

- Lighter - 25% lighter and more comfortable to wear than regular lenses.
• Thinner - Up to 20% thinner than conventional lenses.
• More fashionable - Fits a wider selection of frames.
• Safer - Ten times more impact resistant than ordinary plastic and includes built-in UV ray protection.

For lenses that have some very nice side effects, ask for MicroTHIN™ Only at Pearle Vision.
