DON'T DRINK & DRIVE

Mental illness has warning signs, too.
Withdrawal from social activities. Excessive anger. These could be the first warning signs of a mental illness. Unfortunately, most of us don't recognize the signs. Which is tragic. Because mental illness can be treated. In fact, 2 out of 3 people who get help, get better. For a free booklet about mental illness, call the National Mental Health Association:
1-800-969-NMHA.
